Discerning & Understanding God's Will for Your Life Osbourne Murray, 2017-02-13 The book is about the importance of knowing God's will for one's life which is paramount in having a harmonious and fulfilling relationship with God When there's uncertainty concerning the will of God in any aspect of one's existence it results to confusion and anxiety Too many Christians go through life and never realize God's perfect will during their sojourn in time In doing so believers are robbed of the privilege of experiencing God's best for their lives It also deprives them of having an

overcoming fruitful spirit filled joyful and peaceful life Not discerning God's perfect will for your life will cause you to live far below your rights and privileges in Christ The recognition of God's purpose for your life will provide a sense of identity belongingness vocation and guidance which serves to connect you to a higher purpose the Kingdom of God The truth is that not much attention is paid to this very critical area of Christianity today However it is the very heart of efficient and authentic Christian living Without a clear understanding of God's will in one's life one may feel like or even become a square peg in a round hole especially as it pertains to identifying the appropriate ministries and where to serve effectively in the body of Christ

Listening to God in Times of Choice Gordon T. Smith, 2009-09-20 All Christians yearn to live at the center of God's will But how to discern his will is an art that eludes many of us And the advice we get often conflicts Some tell us to look for a divine blueprint the one perfect plan for our lives that we need to find We are encouraged to search the Scriptures and hunt for signs trying to uncover the map of our lives that God has drawn Others have rejected the blueprint school of guidance for the wisdom school With minds renewed by the teaching of Scripture we are to develop the wisdom necessary to make wise choices We are told not to expect that there is just one answer to God's will for every decision we face Several may be possible The difficulty with both approaches writes Gordon Smith is that they minimize the presence and voice of God in times of choice Instead he argues for a third way He suggests that we develop discernment as a spiritual discipline By stressing the personal aspects of growing in our relationship with God we can understand his will not just in times of crisis but throughout our daily lives This book provides no magic formulas no recipes for guaranteed success just a lot of insight gleaned from centuries of lived Christian experience that will guide and encourage you in the art of discerning God's will

Knowing God's Will--and Doing it J. Grant Howard,1976 *Knowing God's Will* Bennie Mostert,2020-09-24

God is a Father As a Father He wants us to know and understand His will He desires to reveal Himself to us He is always available to listen to us to answer us to have fellowship with us and to walk in deep relationship with us He is not a far away God unwilling to answer us We do not have to do good works to impress Him or convince Him to answer us We don t have to fulfil certain requirements to persuade Him to reveal Himself to us to answer us or have fellowship with us He knows our substance that we are made of dust He knows and sympathises with our weaknesses In Hebrews 5 2 God makes it clear that He gave us a High Priest the Lord Jesus Christ who knows our weaknesses and sins The focus of this booklet is to provide some guidelines to help the reader better know the will of God and discern the voice of the Holy Spirit Its purpose is to help Christians discern between right and wrong In the quest to answer these questions we will view them from different angles According to some researchers the single most important question Christians ask is What is God s will for me What does God want me to do So often we find ourselves in difficult situations and want to know Lord what do you want me to do Sometimes we may have a problem with relationships at other times we may need clarity about a new job opportunity for example The list is nearly endless It is thus important to understand that you are not the only one who struggles with this question The answer to this question will help us to understand our purpose in life May these guidelines therefore encourage and assist you in your prayer life in your family local congregation and every sphere of life
