Life ,1927 The Dark Side of the Soul Stephen Cherry,2016-02-25 In *The Dark Side of the Soul* the author explains and illustrates the Seven Deadly Sins with contemporary examples Sin is an old fashioned word for some startlingly contemporary problems Far from being about trivial naughtiness or seedy self indulgence it's about the financial scandals that have rocked our world and most of the ills that beset us today In clear and accessible language Cherry shows that the traditional Christian concept of sin is a vital tool in understanding what is wrong with human beings Far from leading people into a guilt trap sin is a healthy and truthful word that can help to set us free Human beings are neither intrinsically evil nor congenitally inclined to virtue but many of the problems and predicaments that trouble us today can be better understood and more effectively resolved if their deeper roots are taken into account In this fresh interpretation the author shows that for example our economic problems and our fixation on financial criteria in decision making can be understood through the twin lenses of avarice and lust Our obsessive busyness is a manifestation of sloth and our desire to control and our perfectionism are outworkings of spiritual pride Crucially although sin is an important and necessary word for people to understand and come to terms with it is never in the Christian worldview the last word *Imperial Japan's Allied Prisoners of War in the South Pacific* C.
