**Art by Exceptional Children Exhibit** ,1969 *Exceptional Art-exceptional Children* Joan Frost,1985 **A Manual on Certification Requirements for School Personnel in the United States** ,1970 **The Eclectic Magazine of Foreign Literature, Science, and Art** ,1872 *School Arts* ,1915 Post-Exceptionalism Arne De Boever,2025-01-31 Postmodernism has come and gone but the belief that artists and works of art are exceptional is alive and well Post Exceptionalism speculates that this is so because postmodernism when it declared the death of the author and celebrated the copy failed to name political theology as its fundamental target In a time when sovereignty is experiencing a dubious global revival the moment has come to reconsider the artist and the work of art after political theology in search for a new worldly and emancipatory politics of aesthetics

**The aesthetic exception** Tony Fisher,2023-06-13 The aesthetic exception theorises anew the relation between art and politics It challenges critical trends that discount the role of aesthetic autonomy to impulsively reassert art as an effective form of social engagement But it equally challenges those on the flipside of the efficacy debate who insist that art s politics is limited to a recondite space of autonomous resistance The book shows how each side of the efficacy debate overlooks art s exceptional status and its social mediations Mobilising philosophy and cultural theory and employing examples from visual art performance and theatre it proposes four alternative tests to effect to offer a nuanced account of art s political character Those tests examine how art relates to politics as a practice that articulates its historical conjuncture and how it prefigures the new through simulations capable of activating the political life of the spectator
