Art of Mithila Kamal Shankar Srivastava,1999 ART OF MITHILA Of all art styles of the Indian subcontinent the art of Mithila indigenous to the cross border area of Bihar India and Nepal is one of the most popular and endearing with its distinctive and individualized cartoonish figures The art of Mithila has enjoyed a recent revival and many Mathili women have been encouraged to express themselves in this medium which traditionally adorns their stucco homes The Art of Mithila by Dr Srivastava is a comprehensive study on Mithila art from the earliest times from a historic and cultural perspective The book is devoted exclusively to the analysis in detail of different aspects of the Art of Mithila and its position in Indian art There is also a selected bibliography and a useful index The Art of Mithila should be of interest to anyone layman or art student who appreciates Mithila art and would like to gain a further insight [Mithila Painting](#) David L. Szanton, Malini Bakshi,2007-01-01 *Madhubani Painting* ,2003 The present work contains a brief study of the various facets of Mithila folk arts and paintings which are unique in character having few parallels Of late there has been great talk about this painting the central inspiration of which revolves round popular religious themes and natural surroundings They reflect the self control and serenity of Maithila life and the definite theocratic and aristocratic organizations of Maithila society The women painters of Mithila aimed at giving clear and edifying expression to certain intuitions which formed part of their religion The different forms of floor drawings Aripana and walk paintings bhitti citra provide information on customs and costumes and rituals and religion which otherwise may remain unnoticed The volume further explains in detail the religious and spiritual significance of the folk arts and paintings of Mithila by means of copious references to Sanskrit texts both sacred and secular The paintings as they are constitute not merely a heap of drawings but a visible symbol of aspirations of pious ladies and the throbbings of their hearts in religious fervour A work of inestimable interest both for the specialist and for the connoisseur interested in the study of Indian paintings this comprehensive and authoritative volume on Madhubani painting and other folk arts of Mithila will prove of immense help to students of Indian culture **Master in Madhubani Art (or Mithila Painting)** Amytmy Publications,2020-10-28 Easy step by step instruction to make and design Madhubani art or Mithila painting and how you can make beautiful greetings cards envelope decorative show piece for home decoration painting and many other things easily Here at the end of book you will be able to make awesome paintings on Madhubani art or Mithila painting and also can design your own Madhubani art or Mithila painting designs Get in touch with us at amytmy publications gmail com You can also checkout our other notebooks and books on www amytmy com Make sure to share images of your work by using the hashtag amytmy on Instagram and Facebook *The Art of Mithila* Yves Véquaud,1977 **India's Mithila Painting** Paula Richman,David L.
