fact there are those who believe that so much has been published in this field that any further publications are superfluous. But if one views media and translation as anything ranging from film and television drama to news casting commercials video games web pages and electronic street signs it would seem that research in media and translation has barely scratched the surface. The research in this field is shared largely by scholars in communication and translation studies often without knowledge of each other or access to their respective methods of scholarship. This collection will rectify this lack of communication by bringing such scholars together and creating a context for a theoretical discussion of the entire emerging field of Media and Translation with a preference for theoretical work rather than case studies on translation and communications of various forms and through various media.

Arthur and the Forbidden City Luc Besson, 2005-09
Arthur's quest takes him into the heart of the forbidden city. Arthur's backyard looks like a peaceful ordinary garden if you are human sized that is. But if you're half an inch tall like the Minimoy's this backyard is a vast world where fierce battles are fought ferocious monsters are faced and one evil wizard Maltazard the Cursed rules with cruel power from his terrifying stronghold Necropolis the forbidden city. Now ten year old Arthur magically transformed into a Minimoy and his Minimoy companions brave Princess Selenia and mischievous Prince Betameche must somehow find a way into this forbidden city. Their mission to rescue Arthur's grandfather recover a stolen treasure and save the land of the Minimoy's once and for all before it's too late. But once you're inside the forbidden city can you ever get out again.

Arthur et les minimoy's Luc Besson, Céline Garcia, 2002
Arthur a bien des soucis. Un m. chant promoteur r. ve de saisir la belle maison de sa grand m. re dans laquelle il passe ses vacances. Pas question de compter sur ses parents qui l'ont d. pos. l sans m. nagement. Pas question non plus d'attendre son grand p. re disparu myst. rieusement il y a maintenant quatre ans. Et puis comble de malchance Arthur n. a que dix ans. Peut tre pourra t il compter sur Alfred son gros chien plus affectueux qu'intelligent. A moins que dans la vieille biblioth. que du grand p. re un grimoire ne lui permette de passer de l'autre c. t au pays des minimoy's. Eux seuls peuvent encore tout sauver.
