The Art of Manifesting Abundance Sereda Aleta Dailey,2013-12-29 The steps summarized in this book can assist you in living your most cherished dreams Les Brown said You must see your goals clearly and specifically before you can set out for them Hold them in your mind until they become second nature The most important thing this book will reveal to you is the fastest way to living the life you have always envisioned you could In other words you will learn how to follow your bliss I wrote this book to show you how to use the Art of Manifesting Abundance so you can thrive on your path The ideas in this book are quite necessary in the time we are living in In fact you may find the processes discussed here to be seamless for you to implement in your life **A Grammar of Rapa Nui** Paulus Kieviet, This book is a comprehensive description of the

grammar of Rapa Nui the Polynesian language spoken on Easter Island After an introductory chapter the grammar deals with phonology word classes the noun phrase possession the verb phrase verbal and nonverbal clauses mood and negation and clause combinations The phonology of Rapa Nui reveals certain issues of typological interest such as the existence of strict conditions on the phonological shape of words word final devoicing and reduplication patterns motivated by metrical constraints For Polynesian languages the distinction between nouns and verbs in the lexicon has often been denied in this grammar it is argued that this distinction is needed for Rapa Nui Rapa Nui has sometimes been characterised as an ergative language this grammar shows that it is unambiguously accusative Subject and object marking depend on an interplay of syntactic semantic and pragmatic factors Other distinctive features of the language include the existence of a neutral aspect marker a serial verb construction the emergence of copula verbs a possessive relative construction and a tendency to maximise the use of the nominal domain Rapa Nui s relationship to the other Polynesian languages is a recurring theme in this grammar the relationship to Tahitian which has profoundly influenced Rapa Nui especially deserves attention The grammar is supplemented with a number of interlinear texts two maps and a subject index **The Art of Creating**
