

Art Of Ancient Volodga

Robert S. Wistrich

Art Of Ancient Volodga:

The Art of Ancient Vologda Герольд Иванович Вздорнов,1972 *Art of Ancient Vologda* Gerol'd Ivanovich Vzdornov,1978 Kandinsky's Quest Igor Aronov,2006 This book studies Vasily Kandinsky's 1866-1944 pre-1908 figurative art that formed the basis for his later abstractions. It analyzes many published and unpublished facts of the artist's life and work and brings together numerous historical comparative data from painting literature, the social sciences, ethnography, folklore, esthetics, and philosophy. This study penetrates deeply into Kandinsky's inner world and breaks new ground by interpreting the artist's enigmatic early imagery as his personal, many-layered symbolism that expresses his complex personality, his internal responses to Russian and Western European life and culture, and his quest for spiritual truths.

Demonizing the Other Robert S. Wistrich,2013-03-07 At the close of the twentieth century, the stereotyping and demonization of others, whether on religious, nationalist, racist, or political grounds, has become a burning issue. Yet comparatively little attention has been paid to how and why we fabricate images of the other as an enemy or demon to be destroyed. This innovative book fills that gap through an interdisciplinary, cross-cultural approach that brings together a distinguished array of historians, anthropologists, psychologists, literary critics, and feminists. The historical sweep covers Greco-Roman Antiquity, the Middle Ages, and the Modern Era. Antisemitism receives special attention because of its longevity and centrality to the Holocaust, but it is analyzed here within the much broader framework of racism and xenophobia. The plurality of viewpoints expressed in this volume provides fascinating insights into what is common and what is unique to the many varieties of prejudice, stereotyping, demonization, and hatred.

Kandinsky and Old Russia Neil A. Weiss, Peg Weiss, Vasily Kandinsky, 1995-01-01 Vasilii Kandinsky, whom many consider to be the father of abstract painting, was also a trained ethnographer with an abiding interest in the folklore of Old Russia. In this provocative book, Peg Weiss provides an entirely new interpretation of Kandinsky's art by examining for the first time how his commitment to his ethnic Russian heritage influenced the painter's work throughout his career.
