*Smart About Art: Pierre-Auguste Renoir* True Kelley,2005-06-16 One of the Impressionist era s best loved painters Pierre Auguste Renoir painted every day for 60 years that s over 5 000 paintings The joie de vivre expressed in his work is reflected on every page of Smart About Art Pierre Auguste Renoir in colorful dynamic illustrations and 17 reproductions With humor and insight this title takes us through the life of an artist who at first was so unpopular that his paintings were attacked with umbrellas Written as if it were a child s own class report this title is sure to draw new young fans to Renoir s paintings

**Renoir** Anne Distel,2010-02-09 The definitive monograph on one of the world s best loved artists sumptuously illustrated in full color Pierre Auguste Renoir 1841 1919 stands out among the great artists for his willingness to paint pictures that are straightforwardly pretty and charming he chooses familiar and sympathetic human types as his subjects and depicts them with an appealing immediacy using an attractively bright and rosy palette Not all of his four thousand or so paintings are equally good some fall short on formal grounds and others not surprisingly sink into sentimentality But Renoir s best works are masterpieces perhaps the most joyous and effervescent ones in the history of art his great monuments to leisure Dancing at the Moulin de la Galette and Luncheon of the Boating Party his delicate portraits of women and children like the winsome Girl with a Watering Can and his many frankly sensual nudes In this highly readable monograph noted art historian Anne Distel offers an illuminating new account of the life of the man who created such singularly sparkling works The author deftly narrates Renoir s rise from apprentice porcelain painter to celebrated artist quoting judiciously from the painter s own vivid letters and offering keen analyses of his style at each stage of his sixty year career And Distel does not consider that career in isolation but uses the latest discoveries in the documentary evidence some of them her own to re create the artistic and social milieus in which Renoir worked She traces his relationships with other artists both his fellow Impressionists and older contemporaries like Corot and Daubigny as well as the younger Bonnard Matisse and Picasso with writers like Zola Mallarm and Mirbeau and in particular with the dealers and patrons who were so important to his career like Paul Durand Ruel Ambroise Vollard the Bernheim brothers the Charpentiers the Berards Charles Ephrussi and Dr Barnes Distel s authoritative text is illustrated throughout with some three hundred beautiful color reproductions of the artist s finest and most

representative works ensuring that this will be the Renoir monograph of reference for years to come **Pierre Auguste Renoir** Los Angeles County Museum of Art,1955 *Pierre-Auguste Renoir* Alix Wood,2015-07-15 Pierre Auguste Renoir came from humble means and started out as an apprentice After taking free art classes he was admitted to a well known art school in Paris and went on to become one of the greatest Impressionist painters Readers learn about his life in Paris his famous painter friends and the Impressionist movement The text features some of Renoir s earliest and best known works along with the stories behind their creation Information rich sidebars aid in bringing Renoir s artistic biography to life

*Renoir: An Intimate Biography* Barbara Ehrlich White,2017-11-07 A major new biography of this enduringly popular artist

by the world's foremost scholar of his life and work. Expertly researched and beautifully written by the world's leading authority on Auguste Renoir's life and work, Renoir fully reveals this most intriguing of Impressionist artists. The narrative is interspersed with more than 100 extracts from letters by and about Renoir, 452 of which come from unpublished letters. Renoir became hugely popular despite great obstacles: thirty years of poverty followed by thirty years of progressive paralysis of his fingers. Despite these hardships, much of his work is optimistic, even joyful. Close friends who contributed money, contacts, and companionship enabled him to overcome these challenges to create more than 4,000 paintings. Renoir had intimate relationships with fellow artists Caillebotte, Cassatt, Monet, and Morisot, with his dealers Durand-Ruel, Bernheim, and Vollard, and with his models Lise, Aline, Gabrielle, and Dédé. Barbara Ehrlich White's lifetime of research informs this fascinating biography that challenges common misconceptions surrounding Renoir's reputation. Since 1961, White has studied more than 3,000 letters relating to Renoir and gained unique insight into his personality and character. Renoir provides an unparalleled and intimate portrait of this complex artist through images of his own iconic paintings, his own words, and the words of his contemporaries. Barbara White is a biographer of courage, seriousness, and unrelenting honesty. She has read and dissected about 3,000 letters about Renoir, written by him, his friends, his family, as well as the newspapers of the day. Practically every member of the Renoir family has entrusted their personal documents to her, a pledge of trust totally deserved. Whenever I am asked a question about Auguste, I write to Barbara to ask her opinion or call on her knowledge, since she has become an indisputable reference for me. She is always careful and verifies facts and contexts by every route possible. The Renoir family and Auguste himself are very lucky that Barbara is so passionate about her subject, and I feel personally lucky to know her. I thank her from the bottom of my heart for this work of a lifetime, a magnificent success. I am very pleased that her book has been edited by the quality editors at Thames & Hudson, as it will remain a point of reference for many generations to come. Sophie Renoir, great granddaughter of Auguste Renoir, granddaughter of his eldest son Pierre, and daughter of Renoir's grandson Claude Renoir Jr. June 7, 2017. *Color Your Own Renoir Paintings*, Pierre-Auguste Renoir, 2001-02-01. Colorists of all ages, as well as would-be artists and admirers of Renoir, will love these magnificent recreations of the master's works. Sensuous scenes of beautiful women, flowers, and atmospheric landscapes include *On the Terrace*, *Woman with a Fan*, *Luncheon of the Boating Party*, and *Girls at the Piano*. Each painting is identified, and all are depicted in full color on the inside covers. *Renoir*, Barbara Ehrlich White, Auguste Renoir, 1988-09-15. For twenty years, White has devoted much of her life to searching out unpublished letters, drawings, and documents that reveal Renoir's life as an artist and as a man. 400 illustrations, with 125 in color, include seldom-reproduced works as well as intimate photos of Renoir's family and homes. **Renoir and His Art**, Keith Wheldon, 1981. **Nature's Workshop**, Robert L. middle class leisure But Renoir's primary interest lay indoors in depictions of sensuous female nudes and intimate domestic scenes painted in a warm bright palette This book explores the life and work of this leading light of Impressionism showcasing his best loved artwork alongside fascinating biographical detail It also examines the development of his artistic practices which began to diverge from many other Impressionist painters as he incorporated some elements of a classical style into his work ABOUT THE SERIES The Great Artists series by Arcturus Publishing introduces some of the most significant artists of the past 150 years looking at their lives techniques and inspirations as well as presenting a selection of their best work

**Pierre-Auguste Renoir** Barbara Somervill, 2008-09 Pierre Auguste Renoir once wrote to a friend Although we don't eat every day I'm still quite cheerful Like many painters Renoir was always happy with a paintbrush in his hand He was a productive Impressionist artist creating more than 7 000 paintings drawings and sculptures during his lifetime He had no interest in fame just in painting beautiful pictures Why shouldn't art be pretty he asked There are enough unpleasant things in the world

**Renoir** Paul Joannides, 2000 In the autumn of 1644 was fought one of the most sustained and desperate sieges of the First Civil War when Scottish Covenanter forces under the Earl of Leven finally stormed Newcastle upon Tyne the King's greatest bastion in the north east and the key to his power there The city had been resolutely defended throughout the year by the Marquis of Newcastle who had defied both the Covenanters and Northern Parliamentarians Newcastle had held sway in the north east since the outbreak of the war in 1642 He had defeated the Fairfaxes at Adwalton Moor and secured the City of Newcastle as the major coal exporter and port of

entry for vital Royalist munitions and supply Without this the north was lost if anything Newcastle was more important in strategic terms than York and it was the City's fall in October which marked the final demise of Royalist domination of the north The book tells the story of the people who fought there what motivated them and who led them there It is also an account of what happened on the day a minute by minute chronicle of Newcastle's bloodiest battle The account draws heavily on contemporary source material some of which has not received a full airing in the past The siege is celebrated by the motto under the city coat of arms It reads Fortiter Defendit Triumphans which means She bravely and triumphantly defends
