Art Of Syrian Cookery:

The Art of Syrian Cookery Helen Corey, 1962 A culinary trip to the land of Bible history Syria and Lebanon with traditional recipes adapted for American Kitchens

The Art of Syrian Cookery Helen Corey, Arabic cooking is like Arabic dancing vivid exotic enchanting Seasoned with herbs and spices moistened with olive oil and butter rolled in cabbage and grape leaves food no longer merely abates hunger but becomes a picture of fragrance and charm to satisfy sight smell and taste There is no difference between Syrian and Lebanese foods In America these foods are most popularly known as Syrian foods However since Syria was under the rule of Turkey for centuries some of the drinks and foods are Turkish This is why the coffee served in Syria and Lebanon is called Turkish coffee A part of my heritage these recipes have been handed down from mother to daughter for generations and followed by instinct a little of this a pinch of that and flavored to please the palate though the ingredients were never accurately measured As my sister and I gathered these recipes from my mother Maheeba Mabel she recalled many scenes of her native land of certain hafli parties of friends of the rich aroma of Turkish coffee poured into a demitasse of the historical background of Arabic script and the makings of exquisite damask cloth When we lived in Canton Ohio as children my sister brother and I used to get a great deal of pleasure watching my father and his friends take turns smoking the narghileh Turkish water pipe as they relaxed during the evenings exchanging stories of their journey to this country The narghileh had the sound of bubbling water and an incense aroma filled the house from the Persian tobacco that was used Our narghileh was made of beautiful cut glass with an oriental brass stem and the smoking pipe that was attached had an almost cobra look with its many variegated colors The smoke was being drawn through cold water to reduce the strength of the nicotine The guests were served Turkish coffee and the hostess was ready to play the part of a fortuneteller The cups were inverted and left to stand so that the coffee sediment formed a pattern on the inside of the cup Then the cups were turned up again and the hostess interpreted the future of each guest from the pattern in his cup I have included in the book features on the religious significance of foods Syrian Lebanese festivals weddings Easter Epiphany the preparation of wine and bread for Holy Communion and a complete Lenten section This is an adventure in foods you will want to repeat over and over again While these customs and traditions still prevail in the land of my ancestors I felt that you would enjoy opening a few doors to this ancient land reflecting the mingling of traditions between those days and modern times This illustrated classic includes the following sections Spices and Herbs Arabic Menus Appetizers Sauces Soups Salads Game Poultry and Dressings Meats and Outdoor Festivals Wheat and Kibby Pancakes and Omelets Vegetables Olives Bread and Pies Beverages Candied Fruits and Preserves Pastries and Desserts Fish Lenten Foods and Menus Lenten Menus Lenten Pies Lenten Salads Lenten Kibby Lentil Dishes Lenten Sauces Wheat and Vegetable Dishes Lenten Desserts Traditions and Foods of the Orthodox Catholic Church

from her national award winning cookbook Food from biblical lands which she has adapted for the American kitchen

Helen Corey's Food from Biblical Lands Helen Corey,2021-08-01 Take a culinary trip through time to the sun soaked deserts and sparkling coastal waters where our spiritual ancestors invented the very first recipes and cooking techniques A time when the air thick with the scent of freshly squeezed lemon wafted lazily through the olive groves mingling with the rich smoky flavor of a tender lamb meat sizzling over a charcoal pit Let your senses transport you back to the cradle of civilization when food was a sacred nourishment for body and soul In this remarkable cookbook celebrated chef Helen Corey presents authentic mouth watering recipes for a range of traditional foods from Syria Lebanon Palestine Egypt Morocco Israel and Saudi Arabia With measurements converted for convenient use in American kitchens and friendly explanations of unfamiliar foods and terms Food from Biblical Lands is perfectly accessible for those with little or no experience in Middle Eastern cooking You and your family will be delighted by the succulent taste of chicken smothered in sumac and the zesty flavor of stuffed summer squash in a tantalizing mint yogurt sauce And the long list of appetizers snacks and deserts will keep you busy with new dishes for months Not to mention Helen s useful menu suggestions for special occasions and holidays Best of all Middle Eastern food is remarkably healthy dishes like tabooley salad and laban are delicious low calorie protein filled foods and others like falafel and tahini have long been favorites among healthy eaters Because traditional Middle Eastern recipes call for ingredients that co exist closely in nature the foods are naturally balanced and healthy just as God intended With intriguing food related excerpts from the Old and New Testaments scattered between the recipes Food from Biblical Lands is an engaging and delicious investigation into the relationship between history spirituality and food Ethnic
