Smith,1983 This is the first critical study to come to grips with the work of Ferlinghetti a man who eludes classification because he practices most forms of art because he is both educated doctorate from the Sorbonne and streetwise and because for more than 25years he has followed the expansive and dangerous tradition of the poet who boldly seeks Rimbaud's goal to change life through his art Explaining his method Smith notes that By approaching Lawrence Ferlinghetti as the contemporary poet prophet of engagement and wonder we can more truly understand both his methods and his multi achievement as oral poet poet of the streets super realist actualist of the public night mare political poet poetry and jazz poet bohemian poet painter poet absurd expressionist dramatist avant garde novelist anti Art poet and finally visionary poet of consciousness *Creativity and Madness* J.
