Beginning Postcolonialism Mcleod, 2009-01-01 **Decolonizing Preaching** Sarah Travis, 2014-11-13 Colonialism and imperialism continue to impact the personal and social identities of North American preachers and listeners In *Decolonizing Preaching* Sarah Travis argues that sermons have a role in shaping the identity and ethics of listeners by helping them formulate responses to empire and colonization Travis employs postcolonial theories to provide important insights for the practice of preaching today She also turns to the social doctrine of the Trinity to offer a vision of the divine human community that effectively deconstructs colonizing discourse This book offers preachers and other practical

theologians a gentle introduction to colonial history postcolonial theories and Social Trinitarian theology while equipping them with tools to decolonize preaching and strategies for preventing resisting and responding to colonizing discourse Travis effectively casts a vision of a perichoretic space in which preacher and listener encounter the living God in Trinity and are transformed reconciled and sent out to others in the church and beyond **Reimagining Philo** Torrey Seland,2025-09-22

Reimagining Philo adopts an experimental approach in multiple respects Some readers might question the use of postcolonial theories and viewpoints in examining Philo of Alexandria Is Philo not to be regarded as one of the most integrated Jews living outside of Judea Is he not typically described as the first century Jewish thinker most affected by Greco Roman intellectual traditions a versatile philosopher significantly influenced by various schools of thought Platonism Stoicism and Epicureanism among the most notable While the impact of philosophical schools on Philo is unquestionable it would be inaccurate to define his primary intellectual identity solely from this perspective Philo was also a committed follower of Judaism So he should be comprehended as a Torah observant Jew a Jewish scholar a politician and an apologetic thinker and writer interacting with various intellectual trends of his era Hence this book aims to investigate characteristics of the Roman Empire as a colonizing force its interactions with Jewish matters in Alexandria and how these and other elements influenced Philo s view of the empire A key argument suggests that Philo s perspective underwent a significant transformation following the pogrom in Alexandria in 38 CE and his visit to imperial Rome resulting in a fresh understanding of the empire and the status and roles of the Jews within that context Unhomely England in Post-Imperial British Novels Soody Gholami,2026-01-22 This book investigates the nature of home and nation in post imperial British novels which deal with the loss of Empire and its uncanny presence at home It delves into histories of British colonialism the end of the Empire decolonisation post Second World War nation building and devolution all of which resurface in four selected novels of the late twentieth and early twenty first centuries Marina Warner s *Indigo* 1992 Caryl Phillips s *The Nature of Blood* 1997 Julian Barnes s *Arthur George* 2005 and Zadie Smith s *NW* 2012 Soody Gholami draws on postcolonial theory and Freud s *unheimlich* translated as *unhomely* and *uncanny* to investigate the novels engagement with postwar government policies specifically in the areas of social housing the British Welfare State and the National Curriculum The analytical perspective highlights the novels evocation of *unhomely England* that challenges underlying illiberal and jingoistic national narratives Exploring the writers different depictions of home interiors architectural features and British local landscapes this book argues that post imperial British novels continue to highlight racial gendered and class inequalities that undergird domestic perceptions of belonging and national identity in post imperial Britain Gholami also refers to Brexit as the symptom and result of the unresolved history and legacy of colonialism which the novels studied have anticipated all along Combining postcolonial literary critical and psychoanalytical methodology this book will be of interest to scholars of literature postcolonial studies social policy and other disciplines that engage with the concept of home **Presentations of Postcolonialism in English** Jaydeep Sarangi,2007 On Savitri epic
