Thomas Hardy

Begin Again Long Ago Selected Poems:

The Collected Poems of John Masefield John Masefield, 1924 *Conversations with Grace Paley* Grace Paley, 1997
With firm authority Paley discusses topics of wide range many of which she describes as personal discoveries She includes politics and environmentalism the family and human relationships the impact of background and education the moral importance of community feminism and women s liberation the sexual self and role enforcement America s need for communality and women s creative response to it the art of teaching and the importance of friendship **Select Poems of Wordsworth** William Wordsworth, 1906 **Begin Again** Kenneth Silverman, 2012-07-11 A man of extraordinary and seemingly limitless talents musician inventor composer poet and even amateur mycologist John Cage became a central figure of the avant garde early in his life and remained at that pinnacle until his death in 1992 at the age of eighty Award winning biographer Kenneth Silverman gives us the first comprehensive life of this remarkable artist Silverman begins with Cage s childhood in interwar Los Angeles and his stay in Paris from 1930 to 1931 where immersion in the burgeoning new musical and artistic movements triggered an explosion of his creativity Cage continued his studies in the United States with the seminal modern composer Arnold Schoenberg and he soon began the experiments with sound and percussion instruments that would develop into his signature work with prepared piano radio static random noise and silence Cage s unorthodox methods still influence artists in a wide range of genres and media Silverman concurrently follows Cage s rich personal life from his early marriage to his lifelong personal and professional partnership with choreographer Merce Cunningham as well as his friendships over the years with other composers artists philosophers and writers Drawing on interviews with Cage s contemporaries and friends and on the enormous archive of his letters and writings and including photographs facsimiles of musical scores and Web links to illustrative sections of his compositions Silverman gives us a biography of major significance a revelatory portrait of one of the most important cultural figures of the twentieth century **The Intent On** Kenneth Irby, 2009-12-01 Winner of Poetry Society of America s 2010 Shelley Memorial Award Kenneth Irby has practiced his craft at the center of the American poetry scene for decades yet is little known to the mainstream An associate of the legendary Black Mountain poets as well as of the celebrated seventies L A N G U A G E group of literary experimenters he was a close colleague of writers such as Robert Duncan Ed Dorn and Robert Creeley This comprehensive collection marks the first time the full range of Irby s artistry has been presented in one place Irby s early career starting in the 1960s paralleled the late Beat era and the counterculture and his blend of innovative wordplay with personal and political themes made him an important voice of that era At the same time he was able to forge his own path conjuring a style that was both universal and distinctly American Critics and other poets especially have noted his avant garde use of sound silence and unusual sentence structure to seduce readers His surprising incantatory style conjures the feel of jazz in a striking blend of heart and mind As poet Robert Kelly has observed No one has ever rooted down and plumbed the mystery of American places land name history

of our taking space as Irby does No one has so clearly articulated the living fact that America is an intelligent thing and that each human being has a root awareness of the inadequacy of this place and that is vision
