Hollywood and a Top 10 movie star overall during some of those years As Rogers evolved into the King of the Cowboys he became a pop culture icon and he was shrewd enough to capitalize on his image All sorts of Roy Rogers merchandise hit stores from action figures to comic strips and Rogers even banked on the popularity of his horse Trigger by featuring him enough to make the horse a household name as well Even today people can find the name Roy Rogers all over the place if only because he eventually had his name lent to a popular fast food chain in later years Even as his movie career inevitably tailed off Rogers remained popular enough to host a television show in the 60s with his wife and though it was only on for a short while the show s theme song Happy Trails is still well known today Rogers continued to appear on television and was involved with a production company in later years the capstone on a career that saw him earn 3 stars on the Hollywood Walk of Fame and induction into both the Western Performers Hall of Fame and Country Music Hall of Fame American Legends The Life of Roy Rogers chronicles the life and career of one of America s most famous actors Along with pictures of important people places and events you will learn about the King of the Cowboys like never before in no time at all **LIFE**,1943-07-12 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE.com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use **Rodeo in America** Wayne S.
