Dance Hall Road Marion Kay Douglas,2008 Mid August and two boys lie on the abandoned ski jump in Minnow Lake Water laps onto the old plywood ramp There is talk of mud goosebumps and frogs The humid air transports the muted thump of a basketball from the local dance hall atop the escarpment The quiet is punctured with the staggered pop of gun practice in nearby woods At 15 Adrian knows this day as the last day that life was normal Set in 1970 *Dance Hall Road* examines adolescence and adulthood friendship and family within the ricochet of events through small town life When the death of another high school student pushes the Town into collective despair harsh gossip and casually dropped pellets of blame take seed Currents of anger and frustration are in turn meted out in the scapegoating of

those who are decidedly different Told through two narratives in parallel time we simultaneously follow the chronology of rural life death and sexuality alongside Adrian s present distress and reckoning of consequences With a keen sense of the human experience Marion Douglas portrays her characters with unflinching empathy Evocative and multi layered Dance Hall Road invokes the contradictions of connection within the tenuous balance of regret and hope BOOK JACKET Mrs. Rooney.
