A Room for Learning Tal Birdsey,2009-09-29 Sometimes I have thought that this school is like the only place where the lilies are considered at all In this stirring account of a teacher and his fourteen students tucked away in the Green Mountains of Vermont educator Tal Birdsey fervently documents the founding year of his small junior high school with wit and humility Part memoir part meditation on the power of art and poetry and part criticism of standardized education A Room for Learning evokes a spirit of change in which students were allowed a hand in their own education With no set curriculum no prior history and limited resources the students delve deep into the poetry of Yeats and Bukowski the music of Coltrane the art of Caravaggio and the emotional landscape of Elie Wiesel s Night with each student learning to offer his or her own personal insights But they also

take time out to be outside amidst the pinecones and fresh air to be the kids that they still sometimes are and to learn from one another Isolated from mainstream culture and constantly on the brink of apathy this diverse group of kids and a teacher created a literary community and celebrated learning and themselves A Room for Learning is the poignant true story of how one small school demonstrated that a classroom can be a place of transformative power *Love Is a Many Trousered Thing* Louise Rennison,2009-10-06 After queuing up at the cakeshop of Luurve for ages I have accidentally bought two cakes And I am sitting in a bush Georgia thought her heartbreak osity troubles were over when Masimo announced that he wanted to be her one and only But just as she hits Swoon City Robbie the original Sex God shows up How in the world has Georgia accidentally acquired two Sex Gods Before Georgia can decide what to do next she must figure out what Robbie s intentions are and if his sudden re appearance changes her mind about Masimo And as much as she wants to turn to Dave the Laugh for help he s another romantic thorn and prospective snoggee in her side Will Georgia ever get off the rack of love once and for all **Stop in the Name of Pants!** Louise Rennison,2009-10-06 Time to gird the loins and pucker up Blimey O Reilly s trousers When Georgia embraced being the girlfriend of a Rock Legend Luurve God she thought that was the end of her lovenosity woes As usual Georgia is the last to know what she is talking about Now there s the small matter of a snogging accident involving her matey type mate Dave the Laugh and some toasted newts in her undercrackers Can Georgia lock up her red bottom and throw away the key **My Year In Agony** Lara Fox,2010-02-18 Sixteen year old Anya Buxton has been transferred from her fee paying school to the local comp Her parent s acrimonious divorce has left them strapped for cash and Anya is forced to adapt to her new school life Deciding to keep her head down and her opinions to herself every day Anya distracts herself from a chaotic home life and warring parents by becoming the school s anonymous Agony Aunt on the newsletter website Her fabulous powers of observation and perception along with a no nonsense attitude and sometimes caustic wit makes a big impact on the pupils who write in with their problems Miss Understanding tells it like it is and doesn t pull any punches and on the whole delivers wise and often hilariously brutal advice along with a few sage observations about her fellow pupils and the teachers at the Academy Stirred by her irreverance the school chucks her off the official website but undeterred Miss Understanding simply sets up her own along with a regular blog for her readers entertainment She is articulate and riveting reading and the problems continue to flood in But gradually Anya s feelings about her home life her frustration with her mother and with her father s new wife begin to bias her writing and her responses to problems and the readers begin to form a picture of who Ms Understanding really is Consequently when she inadvertently raises questions and issues of her own in her blog her readers start to chip in with advice of their own on how she should cope with and adjust to all the changes in her life All this is executed in a consistently funny and wry narrative and reveals a unique and strong new character in chick lit genre for teens *Angus, Thongs and Full-Frontal Snogging* Louise Rennison,2013-08-13 Angus My mixed breed cat half domestic tabby half Scottish wildcat The size of a small Labrador only mad Thongs Stupid
