Dancing On Snowflakes:

Dancing on Snowflakes M. MacDonald, 1995-01 *Dancing on Snowflakes* Jane Bonander, 2013-12-01 A young mother's troubled past catches up to her and sets her heart aflame in this spellbinding western romance set in California's untamed past. Sierra Nevada 1867 Susannah Walker has fled to Angel's Valley with her three-year-old son seeking safety and a place to start over—a place where no one knows her name or who she used to be. But she never dreamed the past would come looking for her. Bounty hunter Nathan Wolfe was hired to find Susannah and take her home to stand trial for her crimes. Carrying his own regrets in his heart, Nathan is committed to fulfilling the job. But as he gets to know Susannah, he begins to wonder if she's truly the criminal he's been told she is. In order to get to the bottom of the mystery, he'll have to gain her trust, which is the one thing Susannah does not give away easily. Jane Bonander reaches to her readers' hearts. RT Book Reviews

This beautifully engraved edition includes works by the top 20 Impressionistic composers, an extensive foreword with historical information on each composer, specific performance notes for each piece, and a look at the compositional techniques used by Impressionists. In the companion DVD lecture, Dr. Hinson explores four aspects of Impressionism: early influences, performance techniques, musical characteristics, and specific repertoire from the anthology. Alfred's DVDs provide a strong visual and auditory reference for stylistic and technical interpretations, which are important tools for enhancing any musical performance. 208 pages *The Practical Infant Teacher* Philip Boswood Ballard, 1929
