Daniel With An Introduction To Apocalyptic Literature:

Daniel John J. Collins, 1984-12-05 This is a print on demand book and is therefore non returnable In his introduction to Jewish apocalyptic literature Collins examines the main characteristics and discusses the setting and intention of apocalyptic literature He begins his discussion of Daniel with a survey of the book s anomalies and an examination of the bearing of form criticism on those anomalies He explores the book s place in the canon and the problems with its coherence and bilingualism Collins provides a section by section commentary with a structural analysis verse by verse of each section **Daniel : with an introduction to apocalyptic literature** John J. Collins, 1981 The Syriac Apocalypse of Daniel Matthias Henze, 2001 Matthias Henze has prepared the editio princeps of the Syriac Apocalypse of Daniel a hitherto unknown apocalypse composed in the early seventh century A D in Syriac and preserved in a single manuscript only Following an introduction to the Apocalypse the book includes an edition of the Syriac text an English translation and a detailed commentary Like the biblical Daniel on which it is closely modelled the Syriac Apocalypse of Daniel is an historical apocalypse i e it has two parts the historical first part relates the adventures of Daniel in midrashic form from his deportation by Nebuchadnezzar until his return to Persia from Jerusalem which he visits with King Darius Upon returning to Persia Daniel has a sequence of apocalyptic visions which are recorded in the latter eschatological part of the text and which describe the gradual unfolding of the end of time The Syriac Apocalypse has preserved a number of motifs worth exploring the messianic woes the Gates of the North erected by Alexander the Great a description of Antichrist s physiognomy the Second Coming of Christ and the new Jerusalem Equally important the Syriac Apocalypse of Daniel bears testimony to the vibrant apocalyptic currency in Syriac Christianity **The New Interpreter's Bible: Introduction to apocalyptic literature. Things Greg Carey,2012-11-09 Carey presents an introduction to the elements of apocalyptic discourse in the Hebrew Bible
the intertestamental texts of the Apocrypha and Pseudepigrapha and the Jewish and Christian apocalyptic texts He seeks to
help modern readers perplexed by the rampant and somewhat outrageous depiction and interpretation of apocalyptic
literature to see apocalyptic discourse as a flexible set of resources that early Jews and Christians could employ for a variety
of persuasive tasks Carey examines each of the literary works that exhibit apocalyptic discourse He briefly introduces the
date and language of each text and shows its basic contents Then he examines the particular topics and purposes of the work
Carey concludes by showing a way to read the particular example of apocalyptic discourse as a whole in its own setting with
its own purposes Carey invokes discourse as a category of study in an attempt to bring together the literary ideological and
social dimensions of apocalyptic language He sees the genius of apocalyptic discourse in its ability to bring its audience into
otherwise inaccessible mysteries concerning the future and the heavenly realms As theology apocalyptic discourse engages
life's greatest questions the nature of God the desire for justice and the frustrations of human finitude As poetry it expresses
the theological imagination in vivid symbols and conventional literary forms **The New Jerome Biblical Commentary**

Seventh-Day Adventist Theological Seminary,1989 The New Interpreter's Bible: Introduction to Apocalyptic literature; Daniel; additions to Daniel; Hosea; Joel; Amos; Obadiah; Johan; Micah; Nahum; Habakkuk; Zephaniah; Haggai; Zechariah; Malachi ,1994 The Abomination of Desolation in the Gospel of Mark W. A. Such,1999-02-24 The Abomination of Desolation in the Gospel of Mark argues that the appearance of the Abomination of Desolation is the trigger launching the end time for Mark s community which resulted in the construction of the gospel and set in motion the imminent coming of the Son of Man The author clarifies the claim that the event lying behind this phrase is the destruction of the Jerusalem temple by the Roman commander Titus in 70 C E The main point of the book establishes in an unprecedented manner that verse 14 along with verse 26 constitutes the dual focus of Mark 13 and that Titus is the historical referent in verse 14 based on the last twenty five years of Markan research This conclusion arises from the demonstration that the possibility of flight in Judaea after September 70 C E exists and provided a rationale for Mark s expectations of that period The author points out that Mark connected Titus act with Jerusalem s destruction and Jesus execution in the same place by the same political power and endowed with theological significance Therefore a model of the past based on an event in Jerusalem provides an efficacious parallel for Mark s eschatology
