Germany Screen Series:

Television Drama from Germany Florian Krauß,2024-08-01 This open access book examines how TV professionals in Germany have negotiated quality TV drama from 2015 to the present As practitioners have adapted quality TV a term most strongly associated with US series to their own national context they have simultaneously dealt with shifts in screenwriting and storytelling as well as with broader transformations of the local television industry As in other European countries in Germany this has included a crucial upheaval the emergence of various streaming services which has multiplied the television market As a systematic study of this changing fiction industry Television Drama from Germany will be of great interest to both academics and practitioners working both within and outside the German language television market

Law and Justice on the Small Screen Peter Robson, Jessica Silbey,2012-08-01 This is a wide ranging collection of essays about law in and on television In light of the book s innovative taxonomy of the field and its international reach it will make a novel contribution to the scholarly literature about law and popular culture

A European Television Fiction Renaissance Luca Barra, Massimo Scaglioni,2020-11-29 This book maps the landscape of contemporary European premium television fiction offering a detailed overview of both the changes in the digital production and distribution and the emergence of specific national and transnational case histories Combining a media production approach with a textual and audience analysis the volume offers a complex stratified systemic view of ongoing aesthetic sociocultural and industrial developments in contemporary European TV With contributions from leading experts in the field the book first offers an overview of the industrial policy and cultural context for the renaissance of European television drama over the past decade based on original comparative research This research is then supported by case study chapters from the key contexts within which quality European television is being produced offering a complex and complete picture of the industry s strengths and limitations its traditions and trends its constraints and future perspectives A European Television Fiction Renaissance is a must read book for TV scholars working across Europe and beyond in the areas of media studies international communications and television studies media industries studies production studies European studies and media policy studies as well as for those with an interest in television drama Netflix globalisation pay TV and on demand
