Dance/Movement Therapy for Infants and Young Children with Medical Illness Suzi Tortora,Miri Keren,2022-12-30 This book presents dance movement therapy as a window into the emotional and internal experience of a baby with a medical illness within the context of treating the whole family system and using the DC 0 5 as the basis for formulating the clinical situation This book fills a gap in the literature bringing a variety of fields together including infant mental health infant and child psychiatry nonverbal movement analysis and the creative arts therapies Grounded in a biopsychosocial perspective dance movement therapy is introduced as the main treatment modality using nonverbal expression as a means of communication and dance and music activities as intervention tools to support the child and family Vignettes from both during and years after the medical experience are presented throughout the book taking into consideration the subtle and more obvious effects of illness on the child s later emotional social and behavioral development They illustrate the expertise of the authors as infant mental health professionals drawing upon their work in hospitals and private practices and highlight their unique perspectives and years of collaboration This exciting new book is essential reading for clinicians and mental health professionals working with infants and their families *Bodies of the Text* Ellen W. Goellner,Jacqueline Shea Murphy,1995 Dance and literary studies have traditionally been at odds dancers and dance critics have understood academic analysis to be overly invested in the mind at the expense of body signification literary critics and

theorists have seen dance studies as anti theoretical even anti intellectual Bodies of the Text is the first book length study of the interconnections between the two arts and the body of writing about them The essays by scholar critics of dance and literature explore dances actual and fictional to offer powerful new insights into issues of gender race ethnicity popular culture feminist aesthetics historical embodiment identity politics and narrativity The general introduction traces the genealogy of dance studies in the academy to suggest why critical and theoretical attention to dance and dance s challenges to writing is both compelling and overdue A milestone in interdisciplinary studies Bodies of the Text opens both its fields to new inquiry new theoretical precision and to new readers and writers *Dancing Times* ,1997 **English Folk-song and Dance** Frank Kidson,Mary Neal,1915 The work here reprinted is essentially in two parts an examination of the history of the English folk song by Frank Kidson together with a similar analysis of the English folk dance by Mary Neal Dust jacket flap *Reference and Subscription Books Reviews* ,1981 pt. 1, The epic and lyric poets John Pentlands Mahaffy,1908 *A History of Classical Greek Literature: pt. 1.
