Dangerous Devotion Tip Montana, 2025-07-08. Dangerous Devotions Vows Vendettas. FBI agent Marielle Kingston has spent years taking down some of the most dangerous criminals in the country, but nothing prepares her for her latest mission: going undercover to infiltrate the empire of Elijah Drake, one of the most powerful crime bosses in the game. The assignment is simple: earn his trust, gather intel, and bring him down. What starts as a strategic move quickly turns into something far more dangerous as Marielle finds herself caught between duty and desire, love and loyalty. The deeper she goes, the harder it becomes to separate the mission from the man. MARGARET,2025-02-11 A village being torn apart becomes the powerful break of a vicious cycle of lifelong abuse Through the tragedy Sister Marielle finds a safe place in one of God s Orders That is until she starts to question the entity she s sworn herself to This is a dark fantasy short story with religious themes no romance and no happy ending A Stumble on the Threshold James Payn,1893 **Introduction to the devout life, from the Fr., ed. by W.H. Hutchings** François de Sales (st.),1882 **The London Gazette** ,1916 The Air We Breathe Glen Scrivener,2022-05-01 Discover the Christian roots of the values we prize in western society Is Christianity history Or is Christian history the deepest explanation of the modern world Today in the west many consider the church to be dead or dying Christianity is seen as outdated bigoted and responsible for many of society s problems This leaves many believers embarrassed about their faith and many outsiders wary of religion But what if the Christian message is not the enemy of our modern Western values but the very thing that makes sense of them In this fascinating book Glen Scrivener takes readers on a journey to discover how the teachings of Jesus not only turned the ancient world upside down but continue to underpin the way we think of life worth and meaning Far from being a relic from the past the distinctive ideas of Christianity such as freedom kindness progress and equality are a crucial part of the air that we breathe As author Glen Scrivener says in his introduction The extraordinary

impact of Christianity is seen in the fact that we don't notice it. This is a book for both believers and sceptics giving Christians confidence to be open about their faith and showing non-Christians the ways in which the message of Jesus makes sense of their most cherished beliefs. Whoever you are you'll gain a deeper appreciation for the values you hold dear as you discover the power and profundity of Jesus and his revolution. **A Dangerous Devotion** Beacon Hill Press of Kansas City, Carol Anne Eby, 2004-02-01
