Boucher, 2025-01-31 The worldwide resurgence of authoritarianism has sparked renewed interest in the Frankfurt School theory of the authoritarian personality not as a topic of academic debate but as an urgent political factor *Critical Theory and the Authoritarian Personality* brings Theodor Adorno's critique up to date in light of new forms of authoritarian politics recent kinds of authoritarian propaganda and current findings about authoritarian personalities Drawing on the work of Slavoj Žižek and the psychoanalysis of Jacques Lacan this is the first sustained application of psychoanalytic theory to the problem of the authoritarian personality since the classical work of the Frankfurt School It explores a pressing problem the resurgence of the radical Right and proposes new solutions grounded in the idea of an affective approach to authoritarian politics as something based on transgressive fantasies and political anxieties Throughout the book illustrates its theoretical claims with reference to new kinds of authoritarian literature which today forms an important part of right wing propaganda *Corporatocracy* Ciara Torres-Spelliscy, 2024-11-05 *Corporatocracy* looks at the January 6th 2021 insurrection through the lens of money in politics It discusses past and present campaign finance scandals that illustrate the risk of corporate political spending and dark money It encourages average Americans to use their vote and their pocketbooks to incentivize pro democracy behavior by politicians and corporations **The Trump Indictments** Melissa Murray, Andrew Weissmann, 2024-02-27 1 NEW YORK TIMES BESTSELLER Collecting the four unprecedented indictments against Donald Trump this essential volume features extensive commentary by NYU law professors and MSNBC contributors Melissa Murray and Andrew Weissmann In the long span of American history Donald Trump is the first former president to face criminal indictment He is the subject of a series of explosive charges across four cases the January 6 case brought by Special Counsel Jack Smith the election interference case in Georgia the classified documents case also brought by Special Counsel Jack Smith and the hush money case in New York *The Trump Indictments* includes An introduction offering historical background and international comparisons for criminal charges against a former political leader The four indictments with annotations throughout including insider notes from an eminent scholar Murray and a former federal prosecutor Weissmann A cast of characters from Trump and his alleged co conspirators to notable Proud Boys and Oath Keepers who face prison sentences as a result of related January 6 cases A timeline that brings together in one place the critical events that led to the four indictments A necessary handbook for anyone following the trials in 2024 *The Trump Indictments* will endure as an indispensable record of a democracy at the crossroads **The Vast Right-Wing Conspiracy's Dossier on Hillary Clinton** Amanda B. Capitol Conspiracy William Bernhardt, 2008-01-15 Oklahoma defense attorney Ben Kincaid has found himself smack in the middle of more than a few controversies and deadly predicaments and the unexpected leap from his modest Tulsa law offices to Washington D C s Senate chamber hasn t taken the edge off Ben s knack for stepping into the line of fire Now the idealistic junior senator is plunged into the thick of lethal intrigue when a shocking campaign of terror against key government officials rocks the nation s capital The nightmare begins with the abduction and murder of the director of Homeland Security escalates with the killing of the Senate minority leader who is felled in his office by an envelope laced with weaponized poison and comes to a shattering climax at the site of the Oklahoma City Memorial where a fusillade of sniper fire meant for the president claims unintended victims In all twelve people perish in the melee while Ben himself narrowly escapes a car bomb blast that leaves his best friend Tulsa cop Mike Morelli comatose But the smoke has barely cleared when the stunned nation is sent reeling yet again by the president s impassioned call to amend the U S Constitution with an antiterrorism law that would drastically curtail civil liberties It s a hot button issue guaranteed to bitterly divide the Beltway and the country The chief executive has handpicked Ben to help harvest the support that will make the amendment a reality Shaken by the carnage Ben embraces the president s radical cause and alongside unlikely new political allies he takes the battle for the controversial bill to the Senate floor But he can t ignore his growing suspicion that what s haunting Capitol Hill isn t the specter of foreign terrorism but something much closer to home Now with his ever resourceful chief of staff his wife Christina and along with his support team backing his play Ben sets squares off against what could be the most dangerous Goliath he s ever challenged *Capitol Conspiracy* is a bravura William Bernhardt performance bursting into action on the very first page and crackling with breathless suspense sharp wit crafty twists and timely thrills clear through to the last
