The Broken Land Ian McDonald,2019-04-05 At once disturbing and beautiful superbly realized The Times London Grandfather was a tree Father grew trux in fifteen colours Mother could sing the double helix song sing it right into the hearts of living things and change them The Land is a living breathing sentient world where careful skills and talent can manipulate its very substance into a myriad different shapes and forms This is the world in which Mathembe Fileli grows up

until the conflicts tearing her country apart shatter her village her home and her family and scatter them to the four winds Can Mathembe reunite her family in a world full of angels talking trees squalor and glory Ian McDonald takes on all the atrocity and strife of the 20th Century radically displaces it and dares to envision a means of change It s a brilliant achievement Locus McDonald is a superior writer Booklist Documents of the Senate of the State of New York New York (State).
