Captive Love:

ETERNAL CAPTIVE: LOVE'S SACRED REIGN Rev. Dr. Sheen Stillwell Elijah, 2026-01-13 *Eternal Captive Love's Sacred Reign* is a soul stirring invitation to kneel at the foot of the Cross and be transformed In this tender unfolding of scriptural poetry Rev Dr Sheen Stillwell Elijah weaves Scripture prayer and deeply personal reflection into a sacred dialogue between the human heart and the Divine Each page is a tender call to surrender inviting the reader to become a willing prisoner not of shame or suffering but of God's infinite mercy and love With themes ranging from redemption gratitude and inner stillness to perseverance through trials and the radical call to love one's enemies these reflections gently lead the reader through a spiritual ascent Anchored in biblical wisdom and mystical insight the author explores the paradox of divine captivity that true freedom is found in surrender and real strength in dependence on Christ Whether you are burdened by past failures longing for deeper intimacy with God or seeking a quiet space to pray and reflect this book offers a sanctuary for the soul Every poem and reflection invites you to place your heart at the foot of the Cross nailed there in hope healed there in love and set aflame with holy longing Let this book be your retreat your companion in prayer and your mirror in grace Let your soul be captivated and renewed by Love's sacred reign *Captive Love, Forced Marriage* Hong LeiWanZhuang, 2019-12-24 She had leukemia and was on the road to finding her mother The first time he met her he sent her to the police station She didn't want to sleep with him so when she ran away she crawled into his bathroom through the window begging him to save her Fate had always let them meet but it had always stood in opposition Until one day he had forced her to marry him The path of being strong and pampering his wife was filled with difficulties However when he found out about her filthy past *Mystical Love in the German Baroque* Isabella van Elferen, 2009 *Mystical Love in the German Baroque* Theology Poetry Music identifies the cultural and devotional conventions underlying expressions of mystical love in poetry and music of the German baroque It sheds new light on the seemingly erotic overtones in settings of the Song of Songs and dialogues between Christ and the faithful soul in late 17th and early 18th century cantatas by Heinrich Sch tz Dieterich Buxtehude and Johann Sebastian Bach While these compositions have been interpreted solely as a secularizing tendency within devotional music of the baroque period Isabella van Elferen demonstrates that they need to be viewed instead as intensifications of the sacred Based on a wide selection of previously unedited or translated 17th and 18th century sources van Elferen describes the history and development of baroque poetic and musical love discourses from Sch tz's early works through Buxtehude's cantatas and Bach's cantatas and Passions This long and multilayered discursive history of these compositions considers the love poetry of Petrarch European reception of petrarchan imagery and traditions its effect on the madrigal in Germany and the role of Catholic medieval mystics in baroque Lutheranism Van Elferen shows that Bach's compositional technique based on the emotional characteristics of text and music rather than on the depiction of single words allows the musical expression of mystical love to correspond closely to contemporary literary and theological

known as both a diamond and a mythical stone of indestructible wonder In more modern terminology it describes a posture of unshakeable resolve and determination If there was ever a time for us to be adamant about love and truth it is now God is Love God is Truth Both love and truth are timeless transcending our current trends and opinions Sometimes the most loving thing we will ever do is to speak the truth but speaking truth begins with living it Using the mediums of Scripture and story New York Times bestselling author Lisa Bevere takes readers on a journey into the Mountain of God to the one place they can learn not only to abide in God's unshakeable truth and love but become adamant people who are unmovable determined and steadfast With conviction and passion Lisa unpacks the concept of the adamant for readers linking together the grand story of Scripture and God's purpose in their lives Readers will see that God's plan is revealed as we dwell in him it is there that we are forged and shaped As we abide in Christ our Cornerstone we are shaped into the image of the adamant
