## **Art Of Reading Scripture:**

The Art of Reading Scripture Ellen F. Davis, 2003-10-02 The difficulty of interpreting the Bible is felt all over today Is the Bible still authoritative for the faith and practice of the church If so in what way What practices of reading offer the most appropriate approach to understanding Scripture The church's lack of clarity about these issues has hindered its witness and mission causing it to speak with an uncertain voice to the challenges of our time This important book is for a twenty first century church that seems to have lost the art of reading the Bible attentively and imaginatively The Art of Reading Scripture is written by a group of eminent scholars and teachers seeking to recover the church's rich heritage of biblical interpretation in a dramatically changed cultural environment Asking how best to read the Bible in a postmodern context the contributors together affirm up front Nine Theses that provide substantial guidance for the church The essays and sermons that follow both amplify and model the approach to Scripture outlined in the Nine Theses Lucidly conceived carefully written and shimmering with fresh insights The Art of Reading Scripture proposes a far reaching revolution in how the Bible is taught in theological seminaries and calls pastors and teachers in the church to rethink their practices of using the Bible Contributors Gary A Anderson Richard Bauckham Brian E Daley Ellen F Davis Richard B Hays James C Howell Robert W Jenson William Stacy Johnson L Gregory Jones Christine McSpadden R W L Moberly David C Steinmetz Marianne Meye Thompson

*Christian Wisdom* David F. Ford, 2007-06-07 What is Christian wisdom for living in the twenty first century Where is it to be found How can it be learnt In the midst of diverse religions and worldviews and the demands and complexities of our world David Ford explores a Christian way of uniting love of wisdom with wisdom in love Core elements are the discernment of cries the love of God for God's sake interpretation of scripture and the shaping of desire in faith Case studies deal with inter faith wisdom among Jews Christians and Muslims universities as centres of wisdom as well as knowledge and know how and the challenge of learning disabilities Throughout there is an attempt to do justice to the premodern modern and postmodern while grappling with scripture tradition and the cries of the world today Ford opens up the rich resources of Christianity in engaging with the issues and urgencies of contemporary life *The Art of Reading* Alfred Richard

Tapie, Daniel Wade McClain, 2015-11-01 Although scholars increasingly understand Scripture to contain political dimensions and implications the interpretation of Scripture is often marginalized in most scholarly discussions of political theology *Reading Scripture as a Political Act* takes a step toward remedying this situation by exploring some of the ways the church has read Scripture politically In particular this volume examines the political character of premodern and modern theologians' readings of Scripture with attention to how their readings relate to or address political challenges in their particular social and historical settings The essays attempt to illuminate the ways that the theological interpretation of Scripture shaped the theopolitical imaginations of Augustine Basil of Caesarea Bonaventure Thomas Aquinas Bartolome de las Casas John Wesley Karl Barth Henri de Lubac and John Howard Yoder among others Several essays in the volume also take constructive steps and suggest how these models of reading Scripture can inform the contemporary task of reading Scripture in political contexts The volume covers the earliest Christian centuries to the late modern era and considers carefully the close coordination between Scripture, theology and social and political concerns As a whole the collection provides a robust survey of Christian theopolitical interpretation of the Bible [The Wiley Blackwell Companion to Practical Theology](#) Bonnie J.
