

Billy Boy

L Cohen

Billy Boy:

A Piper's Book of Children's Songs & Nursery Rhymes P/M Ray de Lang G Delanghe,2012-09-23 A delightful collection of over 50 favourite children's songs and nursery rhymes adapted for the Great Highland Bagpipe From Animal Fair to Yankee Doodle Dandy Found A Peanut Round the Mulberry Bush Itsy Bitsy Spider Pat a cake and many many more Lyrics included for those that like to sing **The Play Party in Indiana** ,1916 **Cabin Boys, Milkmaids, and Rough Seas** Jessica M. Floyd,2024-08-30 During his correspondence with erotic folklore collector Gershon Legman famed chantey singer and collector Stan Hugill 1906 1992 shared unexpurgated versions of the songs in his repertoire These bawdy songs were meant to be a part of Legman's larger project concerning erotic folksong Upon Legman's death in 1999 the unfinished and unpublished manuscript sank into obscurity and was believed by many to be permanently lost Thankfully this holy grail of chantey texts had been safe in the private collection of Legman's widow Judith Legman all along Cabin Boys Milkmaids and Rough Seas Identity in the Unexpurgated Repertoire of Stan Hugill is the first critical investigation of this repository reproduced here for the first time Training an interdisciplinary lens on twenty four unexpurgated texts author Jessica M Floyd interrogates the articulation of gender sexuality and identity as it is expressed in these cultural artifacts of the sea Opening with both a critical explication of the chantey genre as well as situating Hugill's repertoire in the canon of folksong the book introduces readers to the critical realities that attend this rich cultural tradition Analytical chapters demonstrate the kaleidoscopic representation of gender and sexuality in this finite repertoire Each inquiry is connected and overlapping demonstrating an ebb and flow not unlike the waters on which the songs were sung Words of warning heteronormative economies and queer undercurrents each collide to present an image of sailing life that is nuanced and complicated provocative and evocative transgressive and sometimes radical The volume allows scholars to place a finger on the pulse of maritime life feeling and experiencing one voice among the din of working class song traditions *American*
