

The Big Strikes

The Great Railroad Strike of 1877 and the Anthracite Coal Strike of 1902 were both momentous events in the history of American labor. They helped pave the way for the labor movement in the 20th century. The similarities and differences between the two strikes construct an image of the constantly changing labor movement during the time period. In at least two paragraphs, compare and contrast the two strikes. You may look at many different facets of the strikes. Some suggestions include: the organization of each strike, government stance during the strikes, tactics used during the strikes, consideration of the violence level, and outcome of each strike.

Big Strikes

George Douglas Howard Cole

Big Strikes:

Industrial Conflict in Britain S.W. Creigh, Eric Wyn Evans, 2005-08-09 First Published in 1977 This volume is an attempt to bring together in convenient form some of the most important studies of work stoppages in post war Britain For reason of convenience the selections have been grouped under three headings namely British Experience the Causes of Strikes and International Comparisons The moral seems to be that the collection should be treated as a whole in order to obtain a general view of the subject

Labour Relations in the Motor Industry H. A. Turner, Garfield Clack, Geoffrey Roberts, 2017-07-06 This book originally published in 1967 takes the automobile industry experience as a basis for a wider view of industrial relations trends and developments of the 1950s and 60s The study also analyses the emergence of new institutions and systems of labour management relationships It contains chapters on the effects of automation and technical change on the impact of fluctuations in the market for cars and on wage trends There are detailed surveys of some of the biggest post war disputes and especially of trade union organization the shop steward system the experience of individual firms such as Austin Ford and Fiat There is also a comparative survey of labour relationships in other major car manufacturing countries such as the USA Germany and Japan

Postponing Strikes Ben Morris Selekman, 1927

Scribner's Magazine ... , 1888

Work and Strife in Paradise Bradley Bowden, 2009 From Queensland's inception as a self governing colony in December 1859 the issue of labour relations has preoccupied governments and shaped the experiences of its working men and women However despite the often turbulent nature of labour relations in Queensland there has prior to this book been no attempt to provide an overview of the system as a whole This important addition to Queensland's sesquicentenary celebrations redresses this failure looking at the diverse range of experiences that together made up a unique system of labour relations including those of employers women workers indigenous workers unions the Queensland Industrial Relations Commission labour law industrial disputation the workings of health and safety system and life in regional areas It is argued that overall Queensland's system of industrial regulation was central to its economic and social development Despite past emphasis on the large scale strikes that periodically raked the state this book finds that consensus normally prevailed
