Gilded Age and fin de siècle period rather than of the mid century high romanticism of Moby Dick Billy Budd, Sailor and Selected Tales Herman Melville, 2009-02-26 Truth uncompromisingly told will always have its ragged edges So wrote Melville of Billy Budd Sailor among the greatest of his works and in its richness and ambiguity among the most problematic As the critic E L Grant Watson writes In this short history of the impressment and hanging of a handsome sailor boy are to be discovered problems as profound as those which puzzle us in the pages of the Gospels Outwardly a compelling narrative of events aboard a British man of war during the turmoil of the Napoleonic Wars Billy Budd Sailor is a nautical recasting of the Fall a parable of good and evil a meditation on justice and political governance and a searching portrait of three extraordinary men The passion it has aroused in its readers over the years is a measure of how deeply it addresses some of the fundamental questions of experience that every age must reexamine for itself The selection in this volume represents the best of Melville s shorter fiction and uses the most authoritative texts The eight shorter tales included here were composed during Melville s years as a magazine writer in the mid 1850 s and establish him along with Hawthorne and Poe as the greatest American story writer of his age Several of the tales Bartleby the Scrivener Benito Cereno The Encantadas The Paradise of Bachelors and the Tartarus of Maids are acknowledged masterpieces of their genres All show Melville a master of irony point of view and tone whose fables ripple out in nearly endless circles of meaning ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more **Billy Budd** Herman Melville, 2006-01-01 This series of soft cover biographies introduces young people to leaders associated with liberation movements in the United States and South Africa **Billy Budd, Sailor** Herman Melville, 1975 Billy Budd is accused of plotting a mutiny by Claggett Billy kills Claggett and is hanged for murder Twentieth Century Interpretations of Billy Budd Howard Paton Vincent, 1971 A Spectrum book Includes bibliography **Billy Budd** Herman Melville, 2005 BILLY BUDD Herman Melville, 2017-04-20 IN THE time before steamships or then more frequently than now a stroller along the docks of any considerable sea port would occasionally have his attention arrested by a group of bronzed mariners man of war s men or merchant sailors in holiday attire ashore on liberty In certain instances they would flank or like a body guard quite surround some superior figure of their own class moving along with them like Aldebaran among the lesser lights of his constellation That signal object was the Handsome Sailor of the less prosaic time alike of the military and merchant navies With no perceptible trace of the vainglorious about him rather with the off hand unaffectedness of natural regality he seemed to accept the spontaneous homage of his shipmates Billy Budd, Sailor Herman Melville, 1997-01 It is a time of war between nations but on one ship a smaller battle is being fought between two men Jealous of Billy Budd the Handsome Sailor the envious Master At Arms Claggart torments the young man until his

develop after its production in 1924 as one of Melville's best cherished books and one of his most open with its exchange of homosexuality. In it Melville comes back to the ocean to recount the account of Billy, a sprightly, persevering and attractive youthful mariner recruited to neutralize his will on another ship where he before long winds up abused by Claggart, the suspicious ace at arms. As things raise past the gullible Billy's control, disaster lingers not too far off like Melville's extraordinary white whale, and the story becomes Melville's conclusive glorious dive into the great tussle among human advancement and bedlam among persecution and opportunity, just as the book in which he examines homosexuality generally straightforwardly. One of the significant works of American writing.
