

CELTIC DESIGN

The brilliant, beautiful designs, decorations and patterns of the Celts – expressed in their metalwork, stonework and jewelry, and continued in the manuscript illumination of Celtic Christianity – are an astonishing art form whose legacy has fascinated both Celtic and non-Celtic peoples for many centuries right through to the present day.

The versatile power of these ornamental designs, and hence their use as a source of inspiration for designers and craftspeople of all kinds, is revealed to the full in this immediately successful new series of completely practical, step-by-step guides which together provide the most comprehensive collection of Celtic designs ever published.

'A treasure house of ideas... These are excellent books for anyone really interested in Celtic design itself, or for anyone interested in developing their skills in formalised design' Popular Crafts

'These beautifully illustrated books... are a must... they contain some very good advice' Books Ireland

A Beginner's Manual

From the beguiling pathways of step and key patterns to the continuous line of the spiral symbolizing eternity, here are all the simplest forms of Celtic design with a clear explanation of both freehand and canonical geometric methods; and detailed instruction on how to draw and decorate letters in an authentic Celtic style, as well as how to create your own illuminated manuscript pages with the help of an appendix of tools and techniques.
