Cemetery Of Angels:

Cemetery of Angels Noel Hynd,1995 A ghost emerges from a grave in Los Angeles invades a house adjoining the cemetery and kidnaps two children So says the mother who tells police she talked to him Is she crazy a murderess or is this the work of clever criminals *A Progression of Angels* Hugh Aiton MacKenzie,1993 Cemetery Angels Galway Kinnell,Richard Bigus,1982 **In the Arms of Angels** ,2014-05 *Cemetery of Angels Author's New Revised Edition* Noel Hynd,2010 Bill and Rebecca Moore are an ordinary middle aged couple raising two children in suburban Connecticut when an unsuccessful attempt on Rebecca s life by a mysterious stranger leaves her with a nasty case of post traumatic stress To help her recover Bill suggests a move to L A where they buy and renovate an old house in a posh neighborhood It seems however that the house hosts a particularly persistent ghost named Ronny an ex actor who apparently has emerged from the small private cemetery adjacent to the backyard When both children disappear from the house with no sign of forced entry LAPD gumshoe Ed Van Allen suspects the Moores of murder although Rebecca gamely tries to convince him the ghost did it Turning the implausible into the possible as the case unfolds Hynd lets the evidence build to a genuinely terrifying climax that features earthbound criminals as well as a not so subtle example of divine retribution **Angels and Visitors** Jean-Mark Sens,2022-06-21 Angels and Visitors encompasses diverse angels revealed in their spirituality through our material world according to the circumstances and happenstance in which they are encountered Angels and Visitors is an inspired collection with personae coming from all walks of life set at the intersection of the ordinary and the extraordinary This collection strives to reveal that the way of the imagination and the mystical are entwined in the movement of soul that seeks their presence The end section relates to humans who are harbingers of news and is inspired by a series written at Mepkin Abbey a Trappist community in South Carolina **Angeli Dei; or, Stories of angels, selected and adapted from the Germ. [by O.S.B.]**.
