## **Cello Story:**

*Cello Story* Dimitry Markevitch, Florence W. Seder, 1999-11-27 Translated from the French by Florence W Seder Dimitry Markevitch concludes his preface or Prelude as he calls it History fact and personal anecdote blend here to provide a complete story of the instrument May this book entertain you help you to know the cello to the fullest and lead you to love it as I do Reading the book confirms that he has amply accomplished his aims His qualifications for doing so are of the highest Markevitch is a performer of considerable note and a teacher at both the Ecole Normale de Musique and Conservatoire Serge Rachmaninoff in Paris He also has a keen interest in musicology and has edited many works for publication The book is divided into three parts The Instrument tracing the history of the cello and cello bow from earliest times The Performers anecdotes of historical cellists plus a long section on Markevitch s friend Piatigorsky and Great Moments for the Cello development of cello repertoire

**Cello** Kate Kennedy, 2024-08-15 Strikingly original The Times Absorbing Wall Street Journal Just as a cello s voice is divided across four strings each with its own colour and character this is a journey in four parts in search of four players and their instruments In Cello Kate Kennedy weaves together the lives of four remarkable cellists who suffered various forms of persecution injury and misfortune The Hungarian Jewish cellist and composer P l Hermann managed to keep one step ahead of the Gestapo for much of the Second World War but was eventually captured and murdered Lise Cristiani the first female professional cello soloist undertook an epic and ultimately fatal concert tour of Siberia in the 1850s taking with her one of the world s greatest Stradivari cellos Anita Lasker Wallfisch was incarcerated in both Auschwitz and Bergen Belsen camps only surviving because she was the cellist in the Auschwitz Birkenau women s orchestra Amedeo Baldovino of the Trieste Piano Trio was forced to jump from a burning ship with his Mara Stradivari losing the cello and nearly losing his own life when the boat was shipwrecked near Buenos Aires Counterpointing the themes raised by these extraordinary stories are a sequence of interludes that draw together the author s reflections on the nature and history of the cello and her many interviews and encounters with contemporary cellists Kate Kennedy s own relationship with the cello is a complicated one As a teenager she suffered an injury to her arm that imposed severe limitations on her career as a performer on the instrument that was her first love She realised that in order to start to understand what the cello meant to her she needed to find out what the cello and crucially the absence of the cello had meant to some other cellists past and present Kate Kennedy has written an eloquent and multitextured homage to this warmest of stringed instruments part quest narrative part detective story part philosophical meditation
