Castles in the Mist Robin Noble, 2016-04-21 A very worthwhile book Sir John Lister Kaye The magnificent Highlands of Scotland represent in so many ways ancient Britain But much of this apparently wild environment is in fact far more recent in origin it has been shaped by the Victorians Castles in the Mist reveals how for better or for worse the vast sporting estates of the Victorian era created the salmon rivers deer forests and grouse moors transforming the Highlands into the landscape that we recognise today with its attendant environmental problems In a seductive blend of memoir history and natural history Robin Noble explores the colossal impact of the Victorian legacy in his beloved Highlands and issues a clarion call for change to start tipping the balance back in nature's favour

Doomsland Shane Leslie, 1924 **A Storm in Pandora's Tea Box** Garry B Grove, 2010-12-09 A Storm In Pandora's Tea Box by Garry B Grove is a volume of reflective poetry As love is polarised by hate pain the antithesis of pleasure the deceptive calm that precedes a storm can also be an impending maelstrom When the lid is removed from Pandora's Tea Box then many elements of the life experience and its emotions are open from the cradle to the grave A paean to the cyclical mystery of life's inherent gift and celebrations of individual expression Fate's finger points and the consequences may be serious or hilarious a matter of life and death much ado about nothing or an unforeseen catastrophe All extremities have their felicitous paradoxes
