Celtic Moods, 1997 12 Best of Celtic Moods Orlando Pops Orchestra (Musical Group), 2008 **Midlife Irish** Frank Gannon, 2025-04-08 At times funny poignant and heartbreaking Midlife Irish draws on the universal themes of love loss and laughter that have kept the Irish both miserable and happy often at the same time throughout the years If Bill Bryson set off for Ireland to discover his roots then you'd have Midlife Irish an illuminating entertaining and heartwarming look at one man's search for where and who he came from Irish American What does this vague term really mean Millions of people describe themselves as Irish American but beyond celebrating St Patrick's Day with a drunken zeal how many of them know really anything about their cultural ancestry It is this curiosity that got the better of Frank Gannon the son of a couple of straight off the boat Irish immigrants His mother and father who never spoke about life on the Emerald Isle raised him in New Jersey thousands of miles from Ireland But after both his parents passed away he realized he knew nothing about whom they really were and where they came from and in effect where he came from Now at the half way point in his life Gannon decided to fill in the blanks He embarked on a journey to Planet Green and slowly pieced together the lives of his parents Before long he discovered much about his mother and father and just as much about himself This story of one man's search for his cultural identity will have phones ringing off the hook at the Irish Board of Tourism as readers will want to take off
