Culture And Privilege In Capitalist Asia:

Culture and Privilege in Capitalist Asia Michael Pinches, 2005-06-23 The Asian financial crisis has distracted attention from the realities of a growing affluent class in Asia this latest volume in the New Rich in Asia series the authors examine the cultural reconfiguration consumer behaviour economic success and cultural status of the new rich Case studies from Indonesia Singapore Malaysia Thailand the Philippines India and China paint a picture of the real significance of the affluent classes and their effect on national ethnic and religious restructuring Challenging Authoritarianism in Southeast Asia

Ariel Heryanto, Sumit K. Mandal, 2003-09-02 Challenging Authoritarianism in Southeast Asia is one of the first substantial comparative studies of contemporary Indonesia and Malaysia homes to the world's largest Muslim population Following the collapse of New Order rule in Indonesia in 1998 this book provides an in depth examination of anti authoritarian forces in contemporary Indonesia and Malaysia assessing their problems and prospects The authors discuss the roles played by women public intellectuals arts workers industrial workers as well as environmental and Islamic activists They explore how different forms of authoritarianism in the two countries affect the prospects of democratization and examine the impact and legacy of the diverse social and political protests in Indonesia and Malaysia in the late 1990s *Globalization and Women in Academia*

Carmen Luke, 2001-06 A cross cultural exploration of globalization and women in higher education Compares experiences of Western and Asian women within a framework that raises important questions about cultural difference and institutional power **Pacific Automobilmism** Gijs Mom, 2022-09-13 The beginning of the 21st century has seen important shifts in mobility cultures around the world as the West's media driven car culture has contrasted with existing local mobilities from rickshaws in India and minibuses in Africa to cycling in China In this expansive volume historian Gijs Mom explores how contemporary mobility has been impacted by social political and economic forces on a global scale as in light of local mobility cultures the car as an adventure machine seems to lose cultural influence in favor of the car's status character

Philippine Politics Lynn T. White III, 2014-12-17 Philippine political history especially in the twentieth century challenges the image of democratic evolution as serving the people and does so in ways that reveal inadequately explored aspects of many democracies In the first decades of the twenty first century the Philippines has nonetheless shown gradual socioeconomic progress This book provides an interpretive overview of Philippine politics and takes full account of the importance of patriotic Philippine factors in making decisions about future political policies It analyses whether regional and local politics have more importance than national politics in the Philippines Discussing cultural traditions of patronism it also examines how clan feuds localize the state and create strong local policies These conflicts in turn make regional and family run polities collectively stronger than the central state institution The book goes on to explore elections in the Philippines and in particular the ways in which politicians win democratic elections the institutionalized role of public money in this process and the role that media plays Offering a new interpretive overview of Philippine progress over many decades the

author notes recent economic and political changes during the current century while also trying to advance ideas that might prove useful to Filipinos Presenting an in depth analysis of the problems and possibilities of politics and society in the Philippines the book will be of interest to those researching Southeast Asian Politics Political History and Asian Society and Culture Media Asia, 2005 *Occidentalism in Novels of Malaysia and Singapore, 1819-2004* Tamara S. Wagner, 2005 Presents a thematic analysis of the English language novels of Malaysia and Singapore focusing upon the ways that occidentalism and orientalism interact influence shape and redefine each other This book focuses on the central place that commerce and monetary values have in these works **Confucian Studies** Xinzhong Yao, Weiming Tu, 2011 While having substantially declined in political and social influence Confucianism was revived by leading intellectuals so called Modern New Confucians in the twentieth century to deal with perennial problems facing modern people and society It is against this background that Confucian Studies has become an increasingly important subject taught in universities and colleges in North America Europe East Asia and Australia With more and more universities and colleges offering courses on or relating to Confucian philosophy ethics religion and politics this new collection from Routledge answers the urgent need for a source book in contemporary Confucian Studies **Encyclopedia of Women & Islamic Cultures** Suad Joseph, Afsāna Nağmābādī, 2003 Family Body Sexuality and Health is Volume III of the Encyclopedia of Women Islamic Cultures In almost 200 well written entries it covers the broad field of family body sexuality and health and Islamic cultures Worshipping the Great Moderniser Irene Stengs, 2009 Contemporary Thailand has seen the rise of an immense cult focused on King Chulalongkorn the Great r 1868 1910 In Worshipping the Great Moderniser Irene Stengs explores the continuing appeal of King Chulalongkorn and considers what this ruler s unprecedented popularity says about modern Thai society Arguing that the exalted expectations of kingship are a product of the ambitions and anxieties of Thailand s expanding middle class she compares the popular image of King Chulalongkorn with that of the present king the highly venerated King Bhumibol Adulyadej Stengs demonstrates how ideas and imaginings of Thainess modernity and kingship have culminated in what she terms modern Buddhist kingship a concept that draws on traditional idioms but is highly modern Her search for the social imaginary surrounding Thai kingship and Thainess during the past century and a half yields an intriguing amalgam of popular religion Buddhist kingship nationalism and material culture *Alternative (post)modernity* William Siew Wai Lim, 2003 In this book Singapore architect and intellectual William Lim continues his search for alternative Asian perspectives to Eurocentric modernity and US style globalization This compilation comprises essays and lectures of the past two years when the author pondered contemporary critical cultural and urban discourses through which he formulated new ideas and analyses particularly in relation to the postmodern glocality and social justice Lim s articles express powerful indictments of the multiple failures of Eurocentric modernity He challenges the mainstream modernist theories on urbanism and globality He offers critical alternatives and expands the frontiers of radical postmodern urbanism to include

sustainability basic needs citizen participation and social justice The title of the book *Alternative Post modernity* clearly signals the complex relational fluidity hybridity and de territorisation between modernity and postmodernity The slogan of think global and act local and vice versa perhaps can describe the dialectical indefinable and ever evolving relationship of Post modernity *The Road from Authoritarianism to Democratization in Indonesia* Paul J. Carnegie,2010-05-15 By showing what is out there in the field of study and threading it through the eye of a local context the following book establishes that a tension exists between the way we frame democratization and the conclusions we arrive at It demonstrates how and why interpreting ambiguity matters in the study of Indonesia s post authoritarian settlement *Far East and Australasia 2008* Europa Publications,Routledge Staff,2007-11-15 A systematic survey of all the countries of East Asia South East Asia Australia New Zealand and the Pacific Islands Essential for anyone with a professional interest in the region Keeps up to date with current economic and political developments Part One General Survey Written by acknowledged authorities on the Pacific Rim this collection of essays forms an impartial overview of the area as a whole Topics include regional security issues human rights environmental issues recent economic trends and USA s relations with the Asia Pacific region Country Surveys Individual chapters on each country containing articles on geography history and the economy an economic and demographic survey of the latest available statistics on population agriculture industry finance trade transport tourism and education a directory of names addresses and contact numbers covering the constitution government legislature judiciary political organizations diplomatic representation religion the media finance trade industry tourism defence and education a select bibliography Regional Information Includes all major international organizations active in the region their aims activities publications and principal personnel a detailed survey of major commodities in Asia and the Pacific a directory of research institutes specializing in the region select bibliographies of books and periodicals covering the Far East and Australasia and an index of regional organizations **Students, Staff and Academic Mobility in Higher Education** Michael Byram,Fred Dervin,2008 Academic mobility in higher education is an old phenomenon but it has become a high profile issues as the numbers of students and staff engaged has increased For this reason and many others political cultural and educational this title reports research on the many facets of the experience and people involved *Singapore's Modernization* Wei-Bin Zhang,2002 This book is a part of a broad study about Confucianism and its implications for modernisation of the Confucian regions covering mainland China Taiwan Hong Kong Macao Vietnam Japan South Korea North Korea and Singapore Singapore provides a typical example for understanding the Chinese Westernising processes as well as for investigating possible implications of Confucianism for modernisation It is argued that the difference in modernisation processes between the mainland China and overseas Chinese is much due to the differences in population size and geography Since the Western powers had enforced China to open its doors to Western powers from the Opium War many Chinese people left China for overseas It is in foreign lands and in Taiwan that the Chinese have benefited from Western thought and institutions

Consumption and the Transformation of Everyday Life Harold Wilhite, 2008-07-24 In this book Harold Wilhite makes an important new contribution to the interpretation of changing consumption in India using an ethnographic approach to interrogate the rapid growth in the consumption of household durables beauty and cleanliness products and exploring how the engagement of local practices with the globalizing economy result in change

Home Away from Home Sawa Kurotani, 2005 An ethnography about Japan outside of Japan specifically how Japanese families on corporate reassignment in the United States recreate their homeland within domestic spaces

Feeling Asian Modernities □□□□, 2004 Through an empirical analysis of how Japanese youth dramas are consumed in East and South East Asia this volume explores the ways in which intra Asian cultural flows highlight cultural resonance and asymmetry in the region under the decentering processes of globalization

Urban Anthropology and Studies of Cultural Systems and World Economic Development, 2008 *The Globalisation of Executives and Economies* John Walsh, 2006-12-31 How has globalisation affected the executives and economy of Thailand one of the most dynamically growing countries in East Asia This book provides coverage of crucial industrial sectors in the Thai economy comparisons between the past and the present Thai economy and a variety of studies aiming to explain the behaviour of Thai executives and consumers A comprehensive approach to the globalisation of Thai executives and companies Written by a variety of industry and academic specialists Avoids academic jargon in explaining real life issues in an easy to read style
