Cunt Coloring Book Tee Corinne, 1988 **Cunt Coloring Book** Tee Corinne, 1975 *Cunt Coloring Book*, 2013

Publicado originalmente en 1975 por Tee A Corinne artista y activista lesbiana que ideó la publicación como un recurso de educación sexual. El desfile de vulvas presente en el libro no siempre pretende informar sino más bien impresionar al observador especialmente a medida que los dibujos se vuelven más estilizados y abstractos. El proyecto es un ejemplo clásico del arte feminista queer representativo de la segunda ola más experimental de activismo artístico. Corinne intentó crear un objeto interactivo para niños y adultos. En 1973 se me ocurrió hacer dibujos de los genitales femeninos para utilizarlos en grupos de educación sexual. Quería que los dibujos fueran bonitos e instructivos para producir placer y afirmación. Los organicé todos en un libro para colorear porque la mejor manera que tienen los niños de entender el mundo es a través de los colores. Como adultos muchos de nosotros todavía tenemos mucho que aprender sobre nuestra anatomía sexual externa. A pesar de las quejas acerca de su abominable título el libro se hizo rápidamente popular. Tres ediciones más tarde el título pasó a ser *Labialflowers* y dejó de triunfar. Todo por los eufemismos.

Cunt Coloring Book Tee Corinne, 1988 *Kutten kleurboek met Franse Spaanse en Duitse uitleg* **Sexually Explicit Art, Feminist Theory, and Gender in the 1970s** Christian Liclair, 2022-05-30 Structured around sexual desire as the central analytical category this monograph systematically approaches a heterogeneous array of artworks to purposefully examine the entanglements of art feminist theory gender and sexuality. This book considers the potential of sexually explicit art to challenge a socially constructed conception of sexuality as well as gender and explores the sexually explicit as a means to reclaim agency for marginalized subjectivities and to emancipate desire from within the patriarchal and heteronormative system. In distinct case studies the author focuses on works by four US American artists Robert Mapplethorpe Joan Semmel Betty Tompkins and Tee A Corinne and situates them in relation to contemporaneous debates associated with the insurgent Sexual Liberation Movements of the 1970s. The book will be of interest to scholars working in art history visual culture and gender and sexuality studies.

Cunt Coloring Book Drawings by Tee Corinne, 2016 **Lifework** Moran Sheleg, 2024-07-23 Following the critical scepticism surrounding the notion of the self as a singular entity during the 1960s many artists and writers sought to test the apparent problem posed by autobiography as both a traditional genre and as a way of working. Considering the consequent emergence of autotheory *Lifework* traces this shift in artistic and literary production during the late twentieth century and beyond examining a set of diverse practices that mine the line between what it is to make art and what it is to live life. The book's chapters connect a variety of artistic strategies that cut across medium geography and time uncovering how the historical marginalisation of first person experience has taken on larger social cultural and political implications in the contemporary moment and how the work of living might still relate to the work of art.
