Cult Killers:

Killer Cults Stephen Singular,2021-06-29 What s scarier than a murderer Someone with the charisma to compel others to kill for them or to kill themselves Meet these cult leaders and get an inside look at their beliefs and how they controlled others Some cults led by leaders like Charlie Manson Jim Jones and David Koresh are notorious But others are less well known such as Shoko Asahara and his doomsday cult Aum Shinrikyo who orchestrated the sarin gas attack on the Tokyo subway Or Joseph Di Mambro and Luc Jouret who founded the Order of the Solar Temple a doomsday cult that led to the death of 51 members by murder or suicide Then there is Marshall Applewhite leader of Heaven s Gate who along with 38 followers killed themselves in the belief that the Hale Bopp comet signaled the arrival of a spaceship that would transport them to a higher plane of existence What makes cult leaders so compelling is their often unfathomable power over their adherents Why do people kill others or themselves for a questionable set of beliefs *Killer Cults* tells the stories behind both famous and unfamiliar cults and the people behind them Across a series of profiles we learn the jaw dropping truth behind some of the most mystifying and deadly cults and their leaders all of whom led their followers down a dark murderous path
