Cult Of Sincerity:

The Cult of Sincerity Herbert Read, 1968 *Confidence Men and Painted Women* Karen Halttunen, 1982-01-01 Karen Halttunen draws a vivid picture of the social and cultural development of the upwardly mobile middle class basing her study on a survey of the conduct manuals and fashion magazines of mid nineteenth century America An ingenious book original inventive resourceful and exciting This book adds immeasurably to the current work on sentimental culture and American cultural history and brings to its task an inquisitive fresh and intelligent perspective Essential reading for historians literary critics feminists and cultural commentators who wish to study mid nineteenth century American culture and its relation to contemporary values Dianne F Sadoff *American Quarterly* A compelling and beautifully developed study Halttunen provides us with a subtle book that gently unfolds from her mastery of the subject and intelligent prose Paula S Fass *Journal of Social History* Halttunen has done her homework the research has been tremendous the notes and bibliography are impressive and the text is peppered with hundreds of quotes and gives some real insight into an area of American culture and history where we might have never bothered to look John Hopkins Times Literary Supplement The kind of imaginative history that opens up new questions that challenges conventional historical understanding and demonstrates how provocative and exciting cultural history can be William R Leach *The New England Quarterly* A stunning contribution to American cultural history Alan Trachtenberg [The Plain and Noble Garb of Truth](#) Eileen K. Cheng, 2008 American historians of the early national period argues Eileen Ka May Cheng grappled with objectivity professionalism and other modern issues to a greater degree than their successors in later generations acknowledge Her extensive readings of antebellum historians show that by the 1820s a small but influential group of practitioners had begun to develop many of the doctrines and concerns that undergird contemporary historical practice The Plain and Noble Garb of Truth challenges the entrenched notion that America s first generations of historians were romantics or propagandists for a struggling young nation Cheng engages with the works of well known early national historians like George Bancroft William Prescott and David Ramsay such lesser known figures as Jared Sparks and Lorenzo Sabine and leading political and intellectual elites of the day including Francis Bowen and Charles Francis Adams She shows that their work which focused on the American Revolution was often nuanced and surprisingly sympathetic in its treatment of American Indians and loyalists She also demonstrates how the rise of the novel contributed to the emergence of history as an autonomous discipline arguing that paradoxically early national historians at once described truth in opposition to the novel and were influenced by the novel in their understanding of truth Modern historians should recognize that the discipline of history is itself a product of history says Cheng By taking seriously a group of too often dismissed historians she challenges contemporary historians to examine some ahistorical aspects of the way they understand their own discipline *Herbert Read Reassessed* David Goodway, 1998-01-01 Herbert Read 1893 1968 acquired in his lifetime a considerable international reputation in all the major areas of his diverse activities as poet as educationalist as

anarchist as philosopher of aesthetics as art critic as historian of and above all as propagandist for modern art and design
The papers assembled in *Herbert Read Reassessed* offer a comprehensive and authoritative coverage of Read's life work that is designed to stimulate debate. An impressive volume it manages to present a unified but not totalizing portrait of one of England's most distinguished twentieth century critics. *English Historical Review* *The Cult of Sincerity* Sir Herbert Edward Read, 1969 **Polit** ,1977 *The Cult of Sincerity* Herbert Edward Read (Sir),1968 Journal Institute of Rail Transport,1975 **The Atlantic Monthly** ,1920 **Views and reviews** William Ernest Henley,1921 The Reorganization of Spain by Augustus John James Van Nostrand,1916 The Griffin ,1956 *The Works of President Edwards* Jonathan Edwards,1879 **Chalcedon Report** ,2000 **University of California Publications in History** University of California, Berkeley,1916 **A One-man Manifesto and Other Writings for Freedom Press** Herbert Read,1994. From his declaration of anarchism in 1937 until his acceptance of a knighthood in 1953 Read contributed to *Freedom* and its precursors: articles, book reviews, poems, and wrote three pamphlets. This volume collects them all with some of his finest writing on anarchism, art, culture, and politics. Includes an excellent, lengthy contextual introduction from David Goodway.
