Throughout the Vietnam War one focal point persisted where the Viet Cong guerrillas and Army of the Republic of Viet Nam ARVN were not a major factor but where the trained professionals of the North Vietnamese and US armies repeatedly fought head to head A Shau Valor is a thorough study of nine years of American combat operations encompassing the crucial frontier valley and a fifteen mile radius around it the most deadly killing ground of the entire war Beginning in 1963 Special Forces A teams established camps along the valley floor followed by a number of top secret Project Delta reconnaissance missions through 1967 Then US Army and Marine Corps maneuver battalions engaged in a series of sometimes controversial thrusts into the A Shau designed to disrupt NVA infiltrations and to kill enemy soldiers part of what came to be known as Westmoreland s war of attrition The various campaigns included Operation Pirous 1967 Operations Delaware and Somerset Plain 1968 and Operations Dewey Canyon Massachusetts Striker and Apache Snow 1969 which included the infamous battle for Hamburger Hill culminating with Operation Texas Star and the vicious fight for and humiliating evacuation of Fire Support Base Ripcord in the summer of 1970 the last major US battle of the war By 1971 the fighting had once again shifted to the realm of small Special Forces reconnaissance teams assigned to the ultra secret Studies and Observations Group SOG Other works have focused on individual battles or units but A Shau Valor is the first to study the campaign for all its courage and sacrifice chronologically and within the context of other historical political and cultural events Catalog of Copyright
