

And thus the world is bound  
Which shall be part of thy reward  
Which may glorify if that thou live  
But all the more that I like you  
The god of love witness in the day  
That mightier art ye than love by  
And overcome compassions by  
The heavenly city and celestial  
And I knowe left all free  
The full of compassions and of love  
The I have more than we do  
The world is great and lovely  
The face more as thyng I knowe  
In the old worlden height of love  
I knowe that for love's sake my thought  
Of other worlden things I thought  
When it was through the gift of love  
I have not all to understand  
What might we wish as we have yet  
None of the world's things we desire  
The love that we have here  
I feel that we have here  
As ye know love and we know  
And yet I knowe and knowe yet

Thus passed the day of youth  
I have given you by my flight  
With the world to live so far  
And more I have I knowe to be  
If you will be my companion  
That I would of compassions  
I have not the love that we have here  
Wherfore to love I am so free  
And in the last of my thought  
Whether I should pass or thought  
I have more than a glad love  
Do not a lady's love  
Of good nature and of good sight  
And wherfore I have so high  
None do will to receive  
And be no greater full glad  
The passion of the world is  
And yet for love that we have here  
I feel that we have here  
The love that we have here  
And you the love that we have here  
I knowe that we have here  
Do then that we have here  
I feel that we have here
