Bears Theirs:

Cherished by Two Bears Kelex,2016-06-15 Colton McCreary's return to Bear Mountain hasn't gone as smoothly as planned. His damaged face has always caused people to stare, but for some reason the looks are ten times worse coming from those at home. Those who know the McCreary name for all the wrong reasons. His imperfection only adds to their distaste. He ends up hiding in the shadows as much as he can. Watching life passing him by. Brandon and Zander are offered a vacation in Bear Mountain to meet with the alpha. Brandon's surgical skills have him courted by Declan and many in town with hopes the pair will move there and take over the new wing of the clinic. Upon arrival they immediately see Colton and know he's their third from their first glance. Brandon's ready to stay. Zander's less sure. Bear Mountain could be their home. Between less than welcoming bear shifters, werewolf attacks at the borders of the new wall, and the threat of war to come, Zander fears they need to get out while the getting's good. Will there be enough time for the three to find a way to come together before violence erupts.

A Homecoming for Two Bears Kelex,2017-01-25 While Killian and Finn loved the idea of being sent away to med school by their alpha, the idea of leaving their mate behind wasn't ideal. Doubling up their course load whenever they could wasn't getting them done fast enough. When Ronan shows up at their dorm one night lustful and needing, they take what's offered wholeheartedly. After years of near misses, Ronan finally confronts Killian and Finn and demands their touch. Yet once it's done, he struggles with his feelings. Hearing the words his vile father's beat into his head doesn't help either. Unable to cope with what he's done, he returns home to lick his wounds. Torn between their duty to their alpha and their need for the mate they adore, Killian and Finn stay back to tie up their loose ends before they return home to build a life for them and their future family. If they can convince Ronan to join them before their world explodes.

Mated to Two Bears Kelex,2016-07-13 Game Warden Wade Travers is unwittingly pulled into the ongoing war between the werewolves and bear shifters when he's called in by local rangers to investigate the slaughter of animals. Chased behind the wall protecting Bear Mountain, he suddenly finds himself unable to leave and unable to stop thinking about the bear who saved him from the wolves. Exiled Penn McCreary doesn't live by rules. He remains close to watch over his brothers and keep the younger boys safe from the threat just outside the farm. That puts him in the right place at the right time. Playing the hero isn't Penn's normal MO, but he can't ignore his mate in danger. Penn doesn't take the answer no very well. Wade will be his by whatever means necessary.

A Sheriff for Two Bears Kelex,2016-04-20 Joshua Running Bear's life is in turmoil. The thousand-year-old shaman no longer hears the voices of their ancestors, not after his successor is born. He'd expected to die when they no longer had need of him, so he's surprised when he begins to grow younger by the day. But not as surprised as he is when he finds a new mate and a female bear shifter at that. The closer he tries to get, the more Hannah pushes him away. Not all is as it seems with the shebear, and he'll soon learn the deep, dark secret she holds close. Joshua also feels a pull to the reservation's sheriff, Mattheu. Mattheu's not his mate, but there's something pushing them together. Only adding more craziness to Joshua's

life a killer is on the hunt for Mattheu Can Joshua keep them safe long enough to claim them both **Finding His Two Bears** Kelex,2016-05-18 After his brother was savagely beaten by their father Jamie McCreary knows they can t go back home He Colton and Penn disappear one night planning to eventually come back for his brothers Life outside the bear world isn t as easy as it looks and it takes twelve years for the trio to finally find their way home On their way they re attacked while crossing through the reservation Luckily new Bear Mountain deputy Will Collins stumbles across the males and rushes them to the clinic all while trying to ignore the deep seated and confusing lust he feels for the eldest of the three Dr Logan Sinclair doesn t believe in brother bears or mates but his beliefs are about to be tested when Jamie and Will run into his clinic Can he let go of the past and embrace a new future before the alpha exiles three more McCrearys **On Being a Bear** Rémy Marion,2021-03-30 This up close captivating look at an iconic animal traces our complex relationship to bears throughout history and what they can tell us about ourselves On Being a Bear draws on history legends scientific studies and the author s thirty years of observing bears around the world to offer a richly detailed biography of these iconic animals including the many ways bears have figured in our lives and imaginations As author R my Marion tells us some cultures view bears as our wild cousins as humans cloaked in fur while others cast bears as cuddly characters in cartoons or seek to eradicate their grizzled forms from civilization Scientists have made new discoveries into bears varied diets their powerful sense of smell and a mother bear s stubborn patience with her cubs Bears play a vital role in our ecosystems and new studies into bear hibernation could lead to medical breakthroughs for humans Offering these and more astonishing insights On Being a Bear brings readers face to face with these long admired feared and misunderstood animals and sets the record straight through a combination of thrilling science and expert storytelling The Constellations and Their History Charles Whyte,1928 **The Encyclopædia Britannica** Hugh Chisholm,1910 **Collier's** ,1928 *The Languages of the Coast of California North of San Francisco* Alfred Louis Kroeber,Edward Sapir,1910 *The Best Match; Or The Soul's Espousal to Christ: Opened and Improved* Edward Pearse,1873 *The English Explorers* Robert Cochrane,1875 *Littell's Living Age* ,1894 **A popular history of Greece, to the incorporation with the Roman empire, ed. by W.H.
