In the ancient country of Orn there lived an old man who was called the Bee Man because his whole time was spent in the company of bees He lived in a small hut which was nothing more than an immense bee hive for these little creatures had built their honeycombs in every corner of the one room it contained on the shelves under the little table all about the rough

bench on which the old man sat and even about the head board and along the sides of his low bed All day the air of the room was thick with buzzing insects but this did not interfere in any way with the old Bee Man who walked in among them ate his meals and went to sleep without the slightest fear of being stung He had lived with the bees so long they had become so accustomed to him and his skin was so tough and hard that the bees no more thought of stinging him than they would of stinging a tree or a stone One day there stopped at the hut of the Bee Man a Junior Sorcerer This young person who was a student of magic necromancy and the kindred arts was much interested in the Bee Man Do you know he said when the Bee Man came out of his hut that you have been transformed The Bee-Man of Orn - Scholar's Choice Edition Frank R.

The Bee Man of Orn Large Print By Frank R. Stockton

It doesn't move at all. It is the Ghastly Griffin and is enchanted. He can't stir so much as the tip of his whiskers for a thousand years. You can go to his cave and examine him just as if he were stuffed, and then you can sit on his back and think how it would be if you should live to be a thousand years old and he should wake up while you are sitting there. It would be easy to imagine a lot of horrible things he would do to you when you look at his open mouth with its awful fangs, his dreadful claws, and his horrible wings, all covered with spikes. I think that might suit me, said the Languid Youth. I would much rather imagine the exercises of these monsters than to see them really going on. Come on, then, said the Very Imp, and he led the way to the cave of the Ghastly Griffin. The Bee man went by himself through a great part of the mountain and looked into many of its gloomy caves and recesses, recoiling in horror from most of the dreadful monsters who met his eyes. While he was wandering about a

We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public. The Bee-Man of Orn, and Other Fanciful Tales (1887). By: Frank R. Stockton Frank R. Stockton, 2018-05-05 Frank Richard Stockton April 5 1834 April 20 1902 was an American writer and humorist best known today for a series of innovative children's fairy tales that were widely popular during the last decades of the 19th century. Born in Philadelphia in 1834, Stockton was the son of a prominent Methodist minister who discouraged him from a writing career. After marrying Mary Ann Edwards Tuttle, he and his wife moved to Burlington, New Jersey, where he produced some of his first literary work. The couple then moved to Nutley, New Jersey. For years he supported himself as a wood engraver until his father's death in 1860. In 1867 he moved back to Philadelphia to write for a newspaper founded by his brother. His first fairy tale, "Ting-a-ling," was published that year in *The Riverside Magazine*; his first book collection appeared in 1870. He was also an editor for *Hearth and Home* magazine in the early 1870s. Around 1899 he moved to Charles Town, West Virginia. He died in 1902 of cerebral hemorrhage and is buried at The Woodlands in Philadelphia.

Writings: Stockton avoided the didactic moralizing common to children's stories of the time. Instead, he humorously poked fun at greed, violence, abuse of power, and other human foibles, describing his fantastic characters' adventures in a charming, matter-of-fact way in stories like *The Griffin and the Minor Canon* (1885) and *The Bee Man of Orn* (1887). These last two stories were republished in 1963 and 1964 respectively in editions illustrated by Maurice Sendak. *The Griffin and the Minor Canon* won a Lewis Carroll Shelf Award in 1963. His most famous fable, *The Lady or the Tiger* (1882), is about a man sentenced to an unusual punishment for having a romance with a king's beloved daughter. Taken to the public arena, he is faced with two doors behind one of which is a hungry tiger that will devour him. Behind the other is a beautiful lady in waiting whom he will have to marry if he opens that door. While the crowd waits anxiously for his decision, he sees the princess among the spectators who points him to the door on the right. The lover starts to open the door, and the story ends abruptly there. Did the princess save her love by pointing to the door leading to the lady in waiting, or did she prefer to see her lover die rather than see him marry someone else? That quandary has made the story a staple in English classes in American schools, especially since Stockton was careful never to hint at what he thought the ending would be, according to Hiram Collins Hayden in *The Thesaurus of Book Digests* (ISBN 0 517 00122 5). He also wrote a sequel to the story, *The Discourager of Hesitancy*. His 1895 adventure novel *The Adventures of Captain Horn* was the third best-selling book in the United States in 1895. *The Bee Man of Orn* and several other tales were incorporated in a book published in 1887 by Charles Scribner's Sons, entitled *The Bee Man of Orn Stories*. Included were *The Bee Man of Orn*, *The Griffin and the Minor Canon*, *Old Pipes*, and *The Dryad*. Other works include *The Queen's Museum*, *Christmas Before Last*, *Prince Hassak's March*, *The Battle of the Third Cousins*, *The Banished King*, and *Philopena*. Like his contemporary Mark Twain, Stockton often pokes gentle fun at people's credulity and irrationality. For instance, the protagonist of his *A Story of Seven Devils* (1888) is a resourceful illiterate preacher. One Sunday, following a scolding from his overbearing wife, he stands at the pulpit and tells his parishioners that the Bible

declared that every woman in this world was possessed by seven devils The women are incensed and after prolonged discussions the community resolves to dismiss him from his unpaid post unless he provides Biblical authority for his claim Next sermon he asks the villagers Didn t Jesus cast seven devils from Mary Magdalene
