Breakthrough to Success Ron Stubbs,2015-05-07 Have you ever wanted something whatever it was so much that in your mind you could touch it taste it smell it feel it make it so real that it seemed to be right in front of you but seemed like only a dream In life we have many opportunities presented to us each and every day Sometimes we seize these fleeting flashes of brilliance other times they seem to slip from our grasp Perhaps if you are like me and don t write them down they can be lost in vacuum of space forever This book is unique in the fact that the words and exercises contained within it have the ability to transform you and change your life They are a roadmap a guide for a successful life change Not meant to show you an exact way to your destination but rather a purposeful view intended to open your eyes to the world you ve created and provide a pathway to change Imagine something with me for just a moment Everything that you have experienced in life up to now is just that an experience You are free to move on from who you were what you have done who you have been in your past to becoming who you want to be doing what you want to do and designing where you want your life to go if you simply recognize that the potential for change exists within you In this book you will find ways to change your ideas outlook and behaviors Ways to open the box of your mind and let those rays of brilliance come out and play There may even be some information and ideas that turn you in directions that you have never before considered That is the beauty of Breakthrough to Success
