More Thoughts of Chairman Moore Brian Moore, 2011-11 Brian Moore is back with another collection of hilariously well observed and rambunctiously argued grievances about the mad world of sport and beyond **The Wit and Wisdom of Brian Moore** Brian Moore, 2011-10-31 Pitbull is back and angrier than ever with another collection of hilariously well observed and rambunctiously argued grievances about the mad world of sport and beyond Following the success of *The Thoughts of Chairman Moore Volume I* you might have hoped that sport's powers that be would have sat up and taken notice of its many faults and flaws But alas no lunacy prevails and so Brian has taken it upon himself to put forward another collection of his unique insights and not so unique frustrations Uproariously funny and spot on in its every complaint *Volume II* is required reading for anyone who can't live without sport but who also can't help but wonder at its unbridled idiocy

Brian Moore Brian Moore, Steve Jones, 1995 Brian Moore has been a regular member of the most successful England team in the history of rugby union and is his country's most capped hooker and vice captain Off the pitch he has campaigned strongly for the abolition of the game's amateur laws over which he has frequently clashed with the RFU committee and its secretary Ferociously competitive as a player Moore has also been convicted for assaulting a member of the public but continues to practise as a London solicitor *The Thoughts of Chairman Moore* Brian Moore, 2010-10-14 They've kicked it away again for God's sake You halfwit there's nothing traditional about Brian Moore's style of commentary but then there's not much that's traditional about the man Brian Moore made his name of course as a take no prisoners hooker at the heart of the England rugby team's pack one of the game's original hard men at a time when rugby was still an amateur sport And since his retirement he has earned a reputation as a similarly unforgiving pundit never afraid to tell it like it is and give an earful to anyone unlucky enough to meet with his disapproval In this controversial funny and forthright collection of thoughts and writings Brian Moore sets the world to rights in his own inimitable fashion Ranging from the problems with the England rugby team today to the soap opera that is the FA the feeble state of British tennis and the threats posed by corruption and drug taking Brian shares his unique insights and not so unique frustrations about the world of sport and beyond *The Thoughts of Chairman Moore* is an engaging and outspoken collection of articles from one of our most admired commentators

Brian Moore Jeanne Flood, 1974 Each volume of the Irish Writers series is devoted to one Irish writer of the 19th or 20th century giving a full account of their literary careers and major works and considering the relationship of their Irish backgrounds to their writings as a whole Brian Moore Denis Sampson, 1998 This biography of the Irish born writer Brian Moore draws on interviews with the man himself as well as with friends family and colleagues The author uses a range of other sources including notes diaries drafts letters and the novels themselves to create a portrait of the artist **The Thoughts of Chairman Moore** Brian Moore, 2010-10-14 They've kicked it away again for God's sake You halfwit there's nothing traditional about Brian Moore's style of commentary but then there's not much that's traditional about the man Brian

Moore made his name of course as a take no prisoners hooker at the heart of the England rugby team's pack one of the game's original hard men at a time when rugby was still an amateur sport And since his retirement he has earned a reputation as a similarly unforgiving pundit never afraid to tell it like it is and give an earful to anyone unlucky enough to meet with his disapproval In this controversial funny and forthright collection of thoughts and writings Brian Moore sets the world to rights in his own inimitable fashion Ranging from the problems with the England rugby team today to the soap opera that is the FA the feeble state of British tennis and the threats posed by corruption and drug taking Brian shares his unique insights and not so unique frustrations about the world of sport and beyond The Thoughts of Chairman Moore is an engaging and outspoken collection of articles from one of our most admired commentators [Brian Moore](#) Hallvard Dahlie, 1969 Critical assessment of Moore's novels

A Matter of Faith Robert Sullivan, 1996-07-30 This is the most extensive account of Moore's fiction to date that considers his many works from the early stories to the recent novel No Other Life Moore who was born in Ireland but is a Canadian citizen and resides predominantly in the United States has earned an international reputation as an important novelist This book sets out to demonstrate a discernible pattern of concerns that cut across Moore's fictive output over the last 40 years It argues that the concerns of love and faith and the interplay between them form the backbone of Moore's oeuvre Sullivan draws from interviews with Moore and presents a study that convincingly demonstrates how Moore's fictions from first to last take their place in a larger thematic and formal master narrative

Committee,2012-07-23 For the first time the Committee has collated the backlog of outstanding cases in the various areas where the UK Border Agency deals with casework This report criticises the Agency for failing to conclude the total backlog of 276 460 cases The Committee makes a number of key recommendations a team should be established to examine why the 3 900 foreign national offenders living in the community as of 4 April have not been deported deportation proceedings for foreign national prisoners must begin at the time of sentencing a list of those countries refusing to accept the return of their own criminals who have committed offences in the UK must be published the Agency should expand its checks to include a wider range of databases in order to assist with tracing of those in the controlled archive students should be removed from net migration target face to face interviews for all foreign students must be compulsory the Agency must be represented at 100% not 84% of all tribunal hearings all inspection visits on Tier 4 must be unannounced the Agency must inform the informants as to possible illegal immigrants of the outcome of their tip off and provide a breakdown of the outcomes of its enforcement visits The Committee reiterates that Senior Agency staff should not receive bonuses until the Agency s performance improves and bonuses paid in the past contrary to the Committee s recommendations should be repaid

Brian Moore and the Meaning of the Past Patrick Hicks,2007 This book offers the first critical analysis of Brian Moore to examine the historical frameworks and various time periods that underpin each of his novels European North American Caribbean and North African alike showing him to have been a writer who was heavily invested in the representation and the meaning of the past This work should appeal to scholars interested in literary studies especially modern Irish literature concentrated upon his use of faith and realism although such examinations have illuminated his novels in intriguing and useful ways much has been neglected by viewing his work solely from these perspectives The sheer variety of Moore s work discourages a single viewpoint because his oeuvre refuses classification be that through narrative mode his use of religion or his varied use of setting The approach of this book which is the first of its kind examines how history influences Moore s texts as well as how it codifies his individual characters By the end of his career Brian Moore was rewriting history in order to create new narratives that explored colonialism identity religion and the intersection between differing interpretations of the past new readings This critical analysis examines Brian Moore as a writer who was heavily invested in the representation and the meaning of the past

As Mirrors Are Lonely Peter Guy,2014-10-16 The Irish novel has demonstrated an ability to sample other forms and influences to improvise and evolve in the light of changing circumstances Peter Guy s new study helps investigate the way in which Irish writers since the sixties have responded to these influences re examining their work through the theory of the French theorist Jacques Lacan Focusing on the novelists John McGahern Brian Moore and John Broderick in a simultaneous reading and applying a psychoanalytical theory which centers in particular on gender and family relations this new study also covers a number of other complex issues issues which span the claustrophobic and repressive
