fascinating book *The Romance of Two Worlds* has familiarized the public with the notion that by Two Worlds are meant this sub lunar earth plane where we mortals now dwell and the spheres beyond where the so called dead live and think and act In order that one who hears the title of the present book may at once divine its scope we have called it *The Bridge Between Two Worlds* But strictly speaking this Bridge serves to connect not two worlds but rather the lowest stratum with the strata beyond of the one terrestrial sphere the lowest stratum being inhabited by spirits who are still encumbered by a fleshly body and the strata beyond by spirits who have passed out of the fleshly body and who retain the spirit body so well adapted to their more ethereal dwelling place The whole terrestrial sphere in its more etherealized portions extending far beyond the physical moon is a unit the inhabitants of all parts of it are related to each other more closely than they can be related to those who dwell in the spheres of the neighboring planets and there are means by which those who still dwell on the surface of the planet can communicate with those who have passed beyond their plane and receive aid from them in regard to their own spiritual development About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
