The Tyranny of Public Discourse establishes the six elements of a proposition as a verbal form of the scientific method something Abraham Lincoln knew and used routinely His logic and reason are so well known that he is quoted today more than 150 years after his death Learning the six elements and how to use them to discuss any topic at any time is not only fascinating but fairly easy to understand and implement This book sets it all out step by step and color coded from beginning to end The Tyranny of Public Discourse complete with 21 diagrams on how to structure your logic is the book you have been waiting for The time is short and the hour is now

Abraham Lincoln and the Structure of Reason David Hirsch, Dan Van Haften, 2010-11-19 The secrets of one of history's greatest orators are revealed in one of the most stunningly original works on Abraham Lincoln to appear in years John Stauffer professor of English and history Harvard University For more than 150 years historians have speculated about what made Abraham Lincoln truly great How did Lincoln create his compelling arguments his convincing oratory and his unforgettable writing Some point to Lincoln's study of grammar literature and poetry Others believe it was the deep national crisis that gave import to his words Most agree that he honed his persuasive technique in his work as an Illinois attorney Here the authors argue that it was Lincoln's in depth study of geometry that made the president's verbal structure so effective In fact as the authors demonstrate Lincoln embedded the ancient structure of geometric proof into the Gettysburg Address the Cooper Union speech the first and second inaugurals his legal practice and much of his substantive post 1853 communication Also included are Lincoln's preparatory notes and drafts of some of his most famous speeches as well as his revisions and personal thoughts on public speaking and grammar With in depth research and provocative insight Abraham Lincoln and the Structure of Reason offers a whole new angle on Lincoln's brilliance James M Cornelius Curator Lincoln Collection Abraham Lincoln Presidential Library and Museum
