## THE TRACEY THURMAN TRUE STORY

Tracy Thurman thought she could have the American dream of a husband and children when she married Buck. But that dream quickly turns into a nightmare when she discovers that Buck is a monster who physically abuses her at every turn. His acts of violence become more frequent and more brutal. When he batters her while she is pregnant, Tracy begins to fear that he may kill her. She turns to the police for help but they ignore her pleas.

Tracey's story leads to the courtroom and is ultimately responsible for the changes to the way police respond to domestic violence.
