A Dangerous Age:

A Dangerous Age Martin Sylvester,1986-01-01 *A Dangerous Age* Ellen Gilchrist,2008-05-13 The winner of the National Book Award returns with a moving story of a family of women drawn together by the trials of the times The women in the Hand family are no strangers to either controversy or sadness Those traits seem in fact to be a part of their family s heritage one that stretches back through several generations and many wars A Dangerous Age is a celebration of the strength of these women and of the bonds of blood and shared loss that hold them together Louise Winifred and Olivia are reconnecting the pieces of their lives and rediscovering love but each is unwittingly on a collision course with a seemingly distant war that is really never more than a breath away By turns humorous and heartbreaking this finely honed novel about the centuries old struggle for women who are left to carry on with life when their men go off to war is by a writer the Washington Post says should be declared a national cultural treasure [A Dangerous Age](#) Rupert Legge,1995

Furie** Daniel Kremer, 2015-11-12 Known for his visual style as well as for his experimentation in virtually every genre of narrative cinema award winning director Sidney J Furie also has the distinction of having made Canada s first ever feature length fictional film in English A Dangerous Age 1957 With a body of work that includes The Ipcress File 1965 Lady Sings the Blues 1972 and The Entity 1982 he has collaborated with major stars such as Marlon Brando Frank Sinatra Robert Redford and Michael Caine and his films have inspired some of Hollywood s most celebrated directors including Stanley Kubrick and Quentin Tarantino In this first biography of the prolific filmmaker author Daniel Kremer offers a comprehensive look at the director s unique career Furie pioneered techniques such as improvisation in large scale film productions and sometimes shot his films in sequence to develop the characters from the ground up and improve the performers in the moment spontaneity Not only has Stanley Kubrick acknowledged that Furie s The Boys in Company C 1978 informed and influenced Full Metal Jacket 1987 but Martin Scorsese has said that he considers The Entity to be one of the scariest horror films of all time However Furie was often later criticized for accepting lowbrow work and as a result little serious study has been devoted to the director Meticulously researched and enhanced by Kremer s close relationship with the filmmaker this definitive biography captures the highs and lows of an exceptional but underexamined career taking readers behind the scenes with a director who was often ahead of his time Youth and Authority Paul Griffiths, 1996 In seeking to portray a more positive image of young people in the 16th and 17th centuries this study surveys attitudes and activities to demonstrate that youth had a creative presence an identity and a historical significance which was never fully explored **The Dangerous Age, Etc** Amy Josephine Crawford (formerly Baker.), 1932 The Dangerous Age Amy J. Baker, 1933 **Impossible Speech** Christopher P. Hanscom, 2024-03-26 In what ways can or should art engage with its social context Authors readers and critics have been preoccupied with this question since the dawn of modern literature in Korea Advocates of social engagement have typically focused on realist texts seeing such works as best suited to represent

injustices and inequalities by describing them as if they were before our very eyes Christopher P Hanscom questions this understanding of political art by examining four figures central to recent Korean fiction film and public discourse the migrant laborer the witness to or survivor of state violence the refugee and the socially excluded urban precariat Instead of making these marginalized figures intelligible to common sense this book reveals the capacity of art to address the impossible speech of those who are not asked expected or allowed to put forward their thoughts yet who in so doing expand the limits of the possible Impossible Speech proposes a new approach to literature and film that foregrounds ostensibly nonpolitical or nonsensical moments challenging assumptions about the relationship between politics and art that locate the politics of the work in the representation of content understood in advance as being political Recasting the political as a struggle over the possibility or impossibility of speech itself this book finds the politics of a work of art in its power to confront the boundaries of what is sayable
