[A Family at War](#) Kathleen Baker, Jonathan Powell, 1971 [A Family at War](#) Kathleen Baker, 1975 **Family War Stories** Keith P. Wilson, 2024-04-16 Based on an extensive collection of letters written from the home front and the battlefield *Family War Stories* offers fresh insights into how the reciprocal nature of family correspondence can shape a family's understanding of the war *Family War Stories* examines the contribution of the Densmore family to the Northern Civil War effort It extends the boundaries of research in two directions First by describing how members of this white family from Minnesota were mobilized to fight a family war on the home front and the battlefield and second by exploring how the war challenged the family's abolitionist beliefs and racial attitudes *Family War Stories* argues that the totality of the family's Civil War experience was intricately shaped by the dynamics of family life and the reciprocal nature of family correspondence Further it argues that the serving sons' understanding of the war was shaped by their direct military experiences in the army camps and battlefields and how their loved ones at home interpreted these experiences With two sons serving as officers in the United States Colored Troops regiments fighting in the Mississippi Valley the Densmore family was heavily involved in destroying slavery *Family War Stories* analyses how the sons' military experiences tested the family's abolitionist ideology and its commitment to white racial superiority It also explains how the family sought to accommodate the presence of a refugee from slavery working in the family kitchen In some ways the presence of this worker in the household posed an even greater range of challenges to the family's racial beliefs than the sons' military service By examining one family's deep involvement in the war against slavery Wilson analyses how the Civil War posed particular challenges to Northerners committed to abolitionism and white supremacy **A Family at War** Richard Oliver, 2023-04-15 Chronicle of various family members who fought in wars [A Family at War](#) Jon Finch, 1970 *A Family at War* Rosie Clarke, 2024-12-09 All NEW to eBook the start of The Family Feud series from bestselling author Rosie Clarke Can they survive the war and all that it brings 1940 Stretton Village Cambridgeshire The start of the war and the tragic loss of their beloved father marks the end of an era for the Searles family as their children embark on their adult lives Eldest sister Frances is about to marry her childhood sweetheart But with Marcus Danby now a fighter pilot his fate hanging in the balance Will he return from war for their happy ever after Meanwhile youngest daughter Emily is swept off her feet by a dashing young officer but does she really know him Brother Daniel has joined up but not before falling in love with a local kitchen girl Alice Against the backdrop of war is there hope of a future for them And then there are those siblings left behind Clay and Henry working the land in trying times and Connor too young to serve but suddenly abandoned by the family he counted on With only a gold digging mother in law to advise them these siblings are all in danger of making rash decisions that don't bode well for their futures Previously published as *The Lie* by Linda Sole Praise for The Family Feud series Another immensely brilliant book by Rosie Clarke it had me held from the beginning to the end I am looking forward to the next in this series Reader Review Heart warming and
