

A large, leafy tree stands in a sun-dappled forest. The sunlight filters through the leaves, creating a warm, golden glow. In the foreground, a pocket watch with a dark, possibly leather, cover is open, showing its face. The watch face is white with black numbers and a gold-colored frame. The background is a soft-focus forest scene with many trees and dappled sunlight.

Seasons of Fathering - A Handbook for Life Rick Wertz, 2022-11. The state of society and cultural pressure on the family suggest dads have not been equipped to step up as the fathers the next generation needs. How much instruction and guidance have you received for your role as a father? In Seasons of Fathering: A handbook for life you will receive instruction on the PASS the BATON strategy for dads along with practical guidance and specific encouragement for the Teacher, Coach, and Counselor. Seasons of fathering: A father's journey is analogous to the 4 X 400 relay race. When a dad runs the relay of life well he stays between the lines, places the baton firmly in the hand of the next generation, and lets go. It is beautiful to watch. When a dad does not commit to run well the clank of batons reverberate across society. This book is an encouragement to pass the baton well through the seasons of fathering and a charge to become the dad you are called to be, the dad the next generation needs to see.
