Asa Political Systems The Distribution:

Political Systems and the Distribution of Power Michael Banton, 1972 Measurement and Analysis of Political Systems
Stephen Coleman, 1975 The book lays out a mathematical model for collective social and political behavior and tests the model with data from several countries A more recent presentation of the theory is available in the author's book *Popular Delusions How Social Conformity Molds Society and Politics*

Political Systems Of The World , ECONOMICS OF INSTITUTIONS AND LAW Alessandro Petretto, 2017 This book provides a set of lectures for an intermediate course in Public economics devoted to four topics in many elements related each other The first one is the Economics of institutions and political economy as a general framework to analyze the public intervention in modern economies The second one is the Economics of Law which is at the basis of the working of the exchange economy The third one is the Economics of public services enterprises ownership and the fourth one is the Economics of the organization of public administration in providing public services with particular reference to the National health care systems and to the local public municipalities As the standard textbooks in the field usually do not treat within unitary and comprehensive terms these issues the book would provide an attempt in this direction The Principles of Sociology: pt.1. Ceremonial institutions. Political institutions. pt.2. Political institutions (cont.). Ecclesiastical institutions. pt.3. Professional institutions. Industrial institutions Herbert Spencer, 1897

Political Systems and the Distribution of Power , 1965 **World Political Systems after Polarity**
Nerses Kopalyan, 2017-06-14 What will the current global political order look like when American unipolarity ends Historically the power configurations of world political systems have been defined by four structures multipolarity tripolarity bipolarity and unipolarity These concepts inform both the formulation and the analysis of short term policies and long term grand strategies of powerful actors in the world political order and may be of profound importance to the future peace and stability of the global system The concept of nonpolarity however has never been addressed as a possible or a potential structural formulation in the nomenclature of global political systems This book provides a coherent conceptualization of nonpolarity and how diplomacy will operate in a more collective age and fits into the ongoing discussion about the nature of the political world order as we approach the end of the American century

A History of the Theories of Production and Distribution in English Political Economy from 1776 to 1848 Edwin Cannan, 1894 *The Annals of the American Academy of Political and Social Science* , 1917 *The Principles of Sociology: pt.
