Committee on Foreign Relations,1959 **A U.S. Foreign Policy for Asia** Ramon Hawley Myers,1982 Raises serious questions about the effectiveness of current U S foreign policy in Asia During the past three years U S policies of giving top priority to Western Europe relying on China to counterbalance the Soviet Union in Asia rearming Japan and transferring modern weapons and economic aid to such states as Pakistan have not effectively dealt with threats of conflict The foreign policy proposed focuses on the economic and political value of those key noncommunist nations encircling eastern and southern Asia and also India The contributors agree that America needs a foreign policy that can counter Soviet expansionism and make recommendations toward this goal **U.S. Policy Toward South Asia** Shivaji Ganguly,2019-03-14 For over 40 years the United States has vacillated between interventionism and withdrawal while struggling to formulate a coherent policy toward South Asia The author has written an analysis of how Washington determines its South Asia policy Situating case studies of US policy in four major South Asian crises in the broader context of Washington **The Foreign Policy of the United States, Political and Commercial** ,1899 U.S. Foreign Policy in Asia Yung-hwan Jo,1978
